Undoubtedly many of you have often wondered what goes on at schoolboard meetings. Perhaps you picture a madhouse with ranting and

## raving

board members deciding the future of students over fourteen cups of coffee. Actually these board members are citizens with a sincere interest in students and a knack for making decisions. During the year they must decide upon many things which affect us all.

1. District Office. 2. Walter Dingus, Superintendent of the School District.

Board of Education; Seated left to right: Frank Payne Jr., Sherman Telleen Marilyn Bassett. Standing left to right: Dr. M. Harvey Grimshaw, James Hayward, Bruce McGregor, Walter Dingus.

The students of S.M.H.S. are fortunate in that Mr. Jack Rankin does not fit the stereotype definition of the strict, unreasonable

## ogre

of a principal. In his spare time, Mr. Rankin plays tennis, works with Indian Guides, and he is currently working on his doctorate at U.S.C. We'd like to thank Mr. Rankin for his genuine interest in all students and for making this year memorable.

This year Dr. Phil Miller has had the opportunity to enjoy one of his favorite hobbies, photography, as he has had an interesting subject to photograph, The

wonder of "Life Magazine," has been spotted just five hundred yards from his doorstep in Saugus. When Dr. Miller is not shooting "big game," he is content to be the favorite "hang-up" as he disciplines students and directs activities.

Dr. Carol Lambert, Assistant Principal of Instruction, is far from being referred to as a

## dumb

blonde who cruises the drive in her white corvette. This intelligent woman is kept extremely busy with planning this year's curriculum, keeping track of scholastic records, evaluating the faculty, and improving course instruction. She did a great job this year.

Even though students often storm out of their counselor's office

## cursing

because their counselor stuck them in some thrilling class like basket-weaving, these four administrators try their hardest to do what is best for each individual. Their responsibility is to see that the students are reasonably happy with their class schedule, activities, and general campus life. The counselors help to guide the students toward graduation, and to prepare them for college or a future career.

1. Mr. Phil Wilburton. 2. Mrs. Elizabeth Walker. 3. Mrs. Dorothy Kuhnlein. 4. Mr. Joseph Volz.

1. Betty Sweetman, Library Clerk. 2. Violet Godfrey, Registrar; Dorothy Shearin, Guidance Clerk. 3. Margaret Gaffney, Secretary. 4. Mrs. Ethelyn Polley, Secretary; not pictured, Betty Patton, Athletics Clerk. 5. Barbara Bliss, Attendance Clerk.

"Mrs. Gaffney, I have to run off one more ditto — I promise this will be the last one today." "I

## lost

my absence card, Mrs. Bliss . . . and I didn't cut, I just, ah, lost my note on the way to school." The efficient and dedicated secretaries certainly need a sense of humor around the campus! Their countless everyday jobs are a great aid in running our school. The lives of students and teachers would surely turn to disaster if not for the hard work of our secretaries.

"What? You're out of pizza? What kind of a joint is this!" "What do you mean you can't give out salads on this side!" "No more

## tacquitos!

Then give me a bag of french fries." These are the complaints the cafeteria ladies often hear amid the noise of the fan, the clatter of trays, and the general hum of the students waiting in line. Even though the food runs out at times, these ladies do a fantastic job of cooking the delectable delights. Thank you once again Evelyn and Hoy! Special thanks should also go to our great custodial crew, for the great job they have done this year.

*Dearest Carol,*  
you know you brought great happiness into my life!?! How sweet! No, seriously you are the nicest sister Sue has. Maybe 'cause you're her only sister. So how did you like your freshman year? Do you like the exciting high school social life? Just wait till next year. You'll be a **SOPHOMORE!** WOW! anyway, let me get to

the point of this note. I want you to have the most bitchiness, bar-out, out-of-sight, next-o, press-o-nova, marvy, & fantastic summer ever!!!! I guess that says it. And I'm sure I'll be seeing ya around and going to the beach with ya. Have a fantastic sophomore year & good luck. Just don't do anything I wouldn't do! Haha! anyway, **STAY COOL & TAKE CARE!!**

I'm always,

Sloane (from Blair!)  
it's better than S.M.

The SOPHOMORE Class spent many cold nights at Brenda Gallagher's creating their float for homecoming. The design was a gigantic

and follow it accordingly. The Freshmen have many new privileges this year as the girls can wear pants all year long and the guys can wear their hair below their collar line.

February 6, 1975 marked the day that San Marino High School had its first auction of the school's history. The auction was a most peculiar one, as they auctioned off guys to the girl who payed the most money. John Wagner, the

class fox, was sold to senior Julie Hart for \$17.75. The money went to pay for a seven course dinner cooked by Mr. Robert Lewis held at a house overlooking the Rose Bowl.

1. Marked determination garners the prize. 2. Class of '78 vows their spirit.

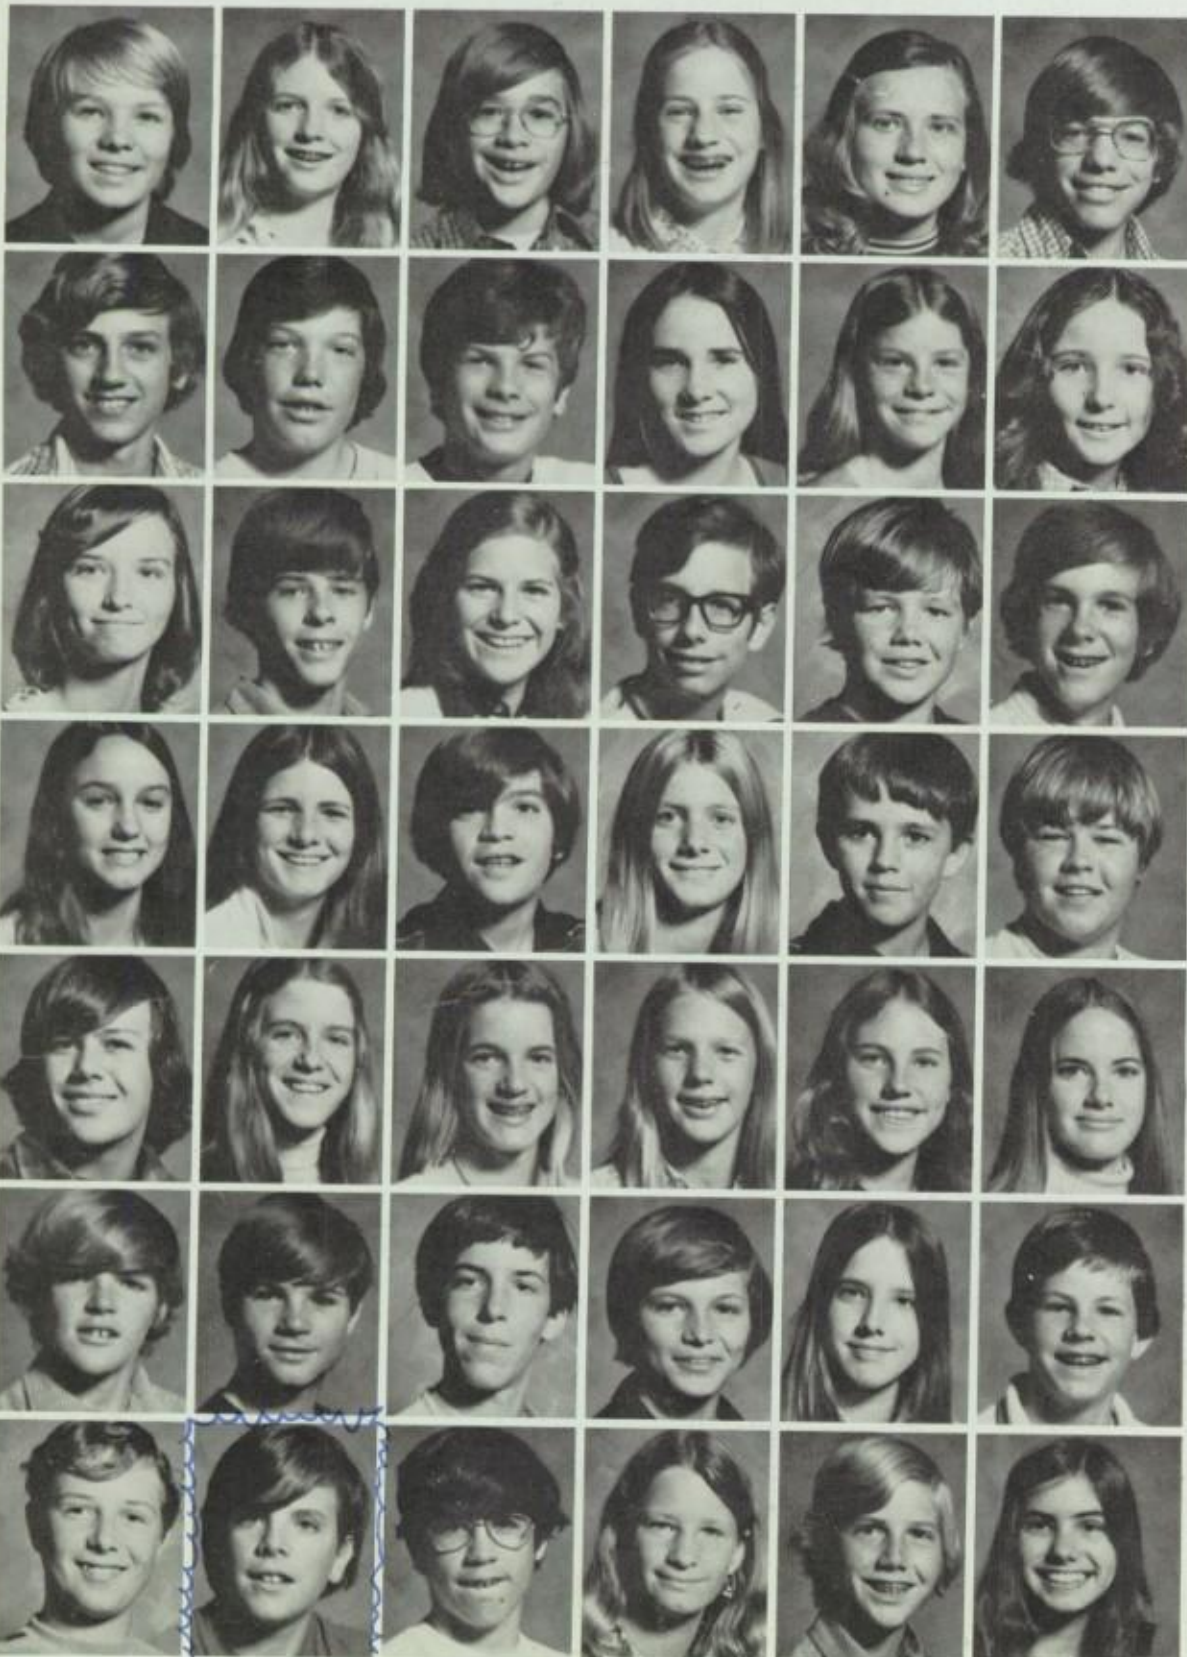

The Freshman class had their first big fund raising drive, when they sold pencils inscribed with "San Marino Titans." The

they earned went not only into their class treasury, but towards the big weekend that every freshman looks forward to, Rivalry Day. Another highlight of the year was the after game dance featuring Headwinds.

At 8:00 on Monday morning, September 16, 1974, school began, and a new batch of students were walking around the campus of S.M.H.S. These new and unfamiliar faces were those of the wide-eyed Freshmen. Filled with inspiration, the class of '78 went full

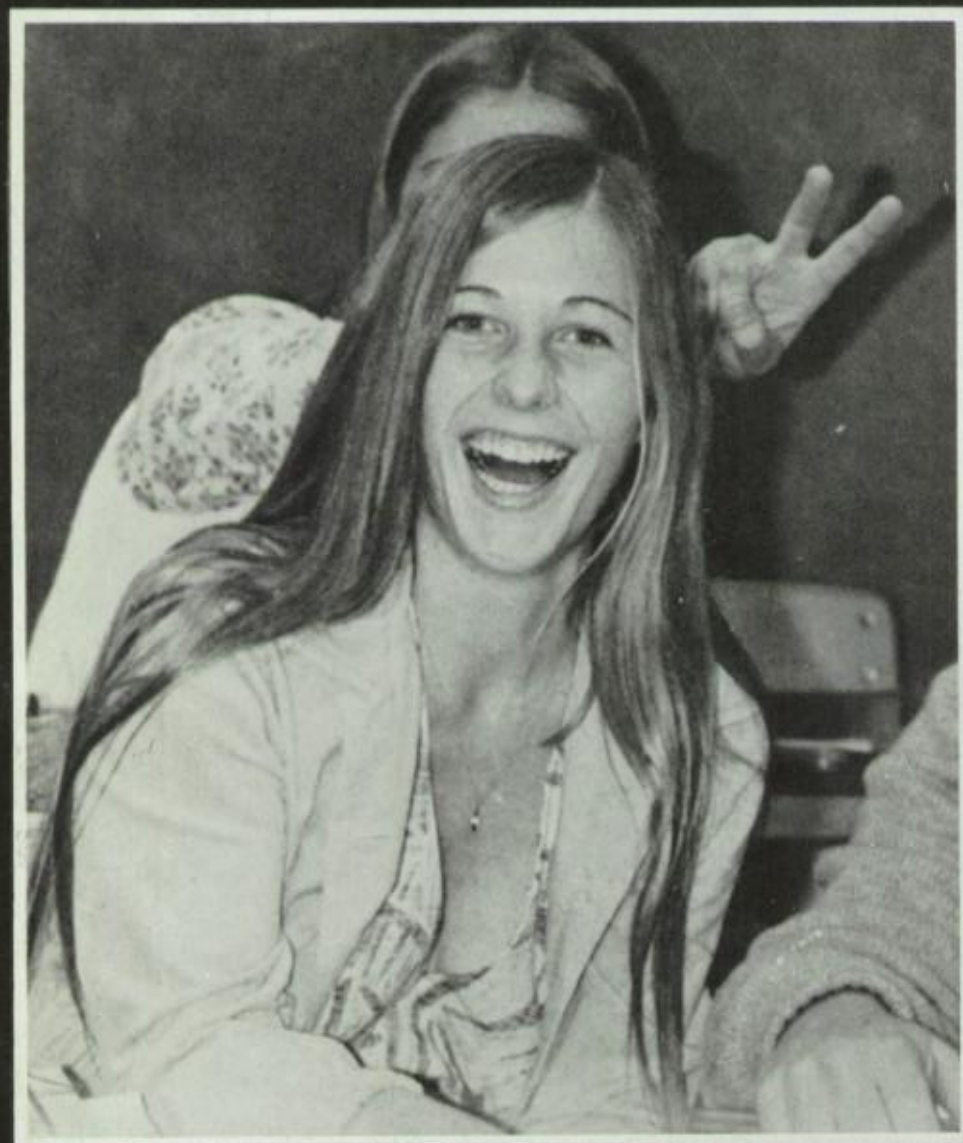

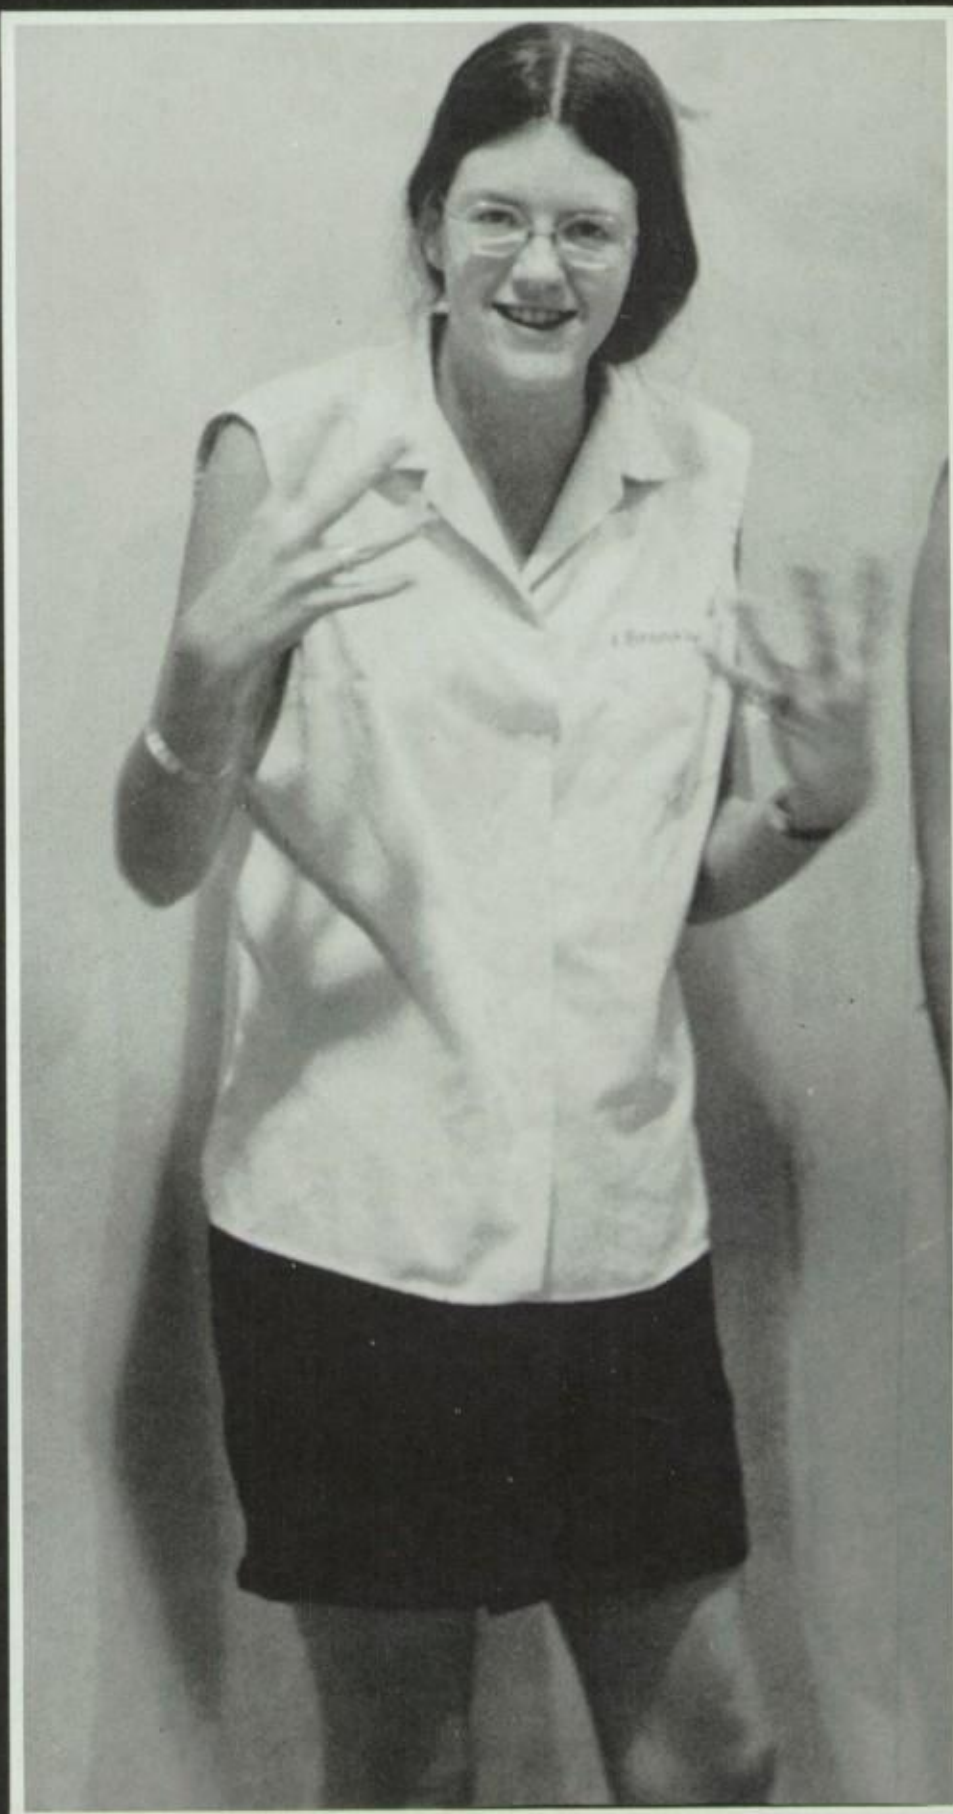

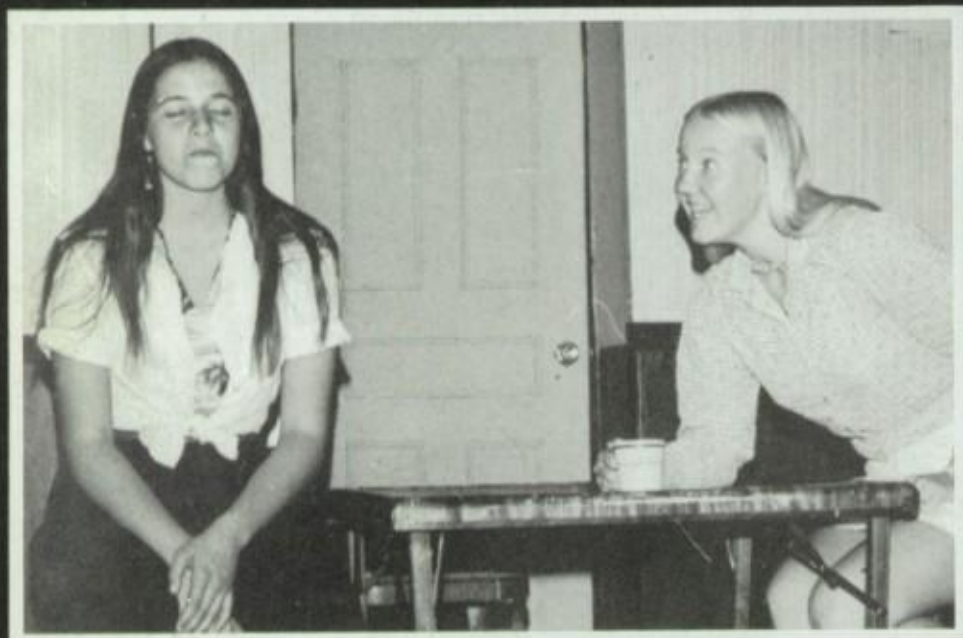

## speed

ahead into their first year of high school. They wasted no time in getting down to business and elected their class representatives to the school's government.

1. Yoo hoo, Mike Tsagalakis, look over here. 2. Joseph Odundo Okeyo's only thought is "mmmmmm" good."3. John Cervenka tries out for Varsity Yell.

Throughout the week before Homecoming, an air of excitement and anxious waiting made its presence known on the campus and surrounding areas of San Marino. And, when all was quiet, and the previous excitement was merely a memory, only a few lone pieces of

## crepe paper

ornamented the gray asphalt of Huntington Drive as a pleasant reminder of the week's many activities representative of 1974's Homecoming, "Color My World." It was a day never to be forgotten as our mighty Titans plucked the Duarte Falcons.

1. Eric Anderson passes to victory. 2. Jane Irwin leads her group on at the Homecoming half time show. 3. AFSers Nicole and Naomi show their dazzling smiles. 4. B-Yell spots Fred Cordova. 5. Super Sophs on the parade route with their super float. 6. Queen Linda Stafford reigns majestically over the Homecoming festivities. 7. Jeff Grady and Lauren Webb show senior enthusiasm. 8. Senior Princess Laurie Grant and Junior Princess Nancy Wilson take a breather to act natural during the parade.

*Queen Linda Stafford*

At last, the fated moment had arrived when Princesses Laurie Grant and Nancy Wilson looked on as Bill Holl bestowed the long-awaited

**Carol, have fun kissing**

that confirmed Linda Stafford as the 1974-75 HOMECOMING QUEEN at this year's Coronation Ball, on a cool October's eve.

**Rayan Harrison this summer! (maybe we'll both get lucky!!! It's weird signing this in July but I'm glad I had a chance to sign it! If we don't get in the same car together I'll die, I hope you know who gets in with us!!! what a fox. I hope I see alot more of you this summer. Your so pretty!**

For those who stayed behind at SMHS during YOSEMITE WEEK, there were many planned activities to divert their attention from the fact that they were stuck here at home. Many teachers and students taught special interest classes such as

## rock

climbing, astronomy, macrame, photography, and many other classes were featured in two hour lengths as extended open periods. The highlight of these classes was Tom James backpacking and wilderness foods demonstration. When he cooked his food, his stove blew up!

1. Joe San Marino and friends. 2. Bill Rutz displays his interest in Mrs. McDonald's "Mini foods for Men" class. 3. Mr. Cameron: "C'mon, let's smoke 'em out!" 4. Mrs. Coultas: "What do you mean this isn't right?" 5. Jeff Davis at the end of an open period class. 6. Kim Ruge displays her artistic talent. 7. Wow! This looks neat!

1974 rated as one of the best San Marino Varsity Football seasons ever. The Titans were unstoppable in the Rio-Hondo League and went on to the CIF playoffs, losing in the quarter finals by one point-

## bad eggs!

New figures in the books are Eric Anderson's 18 T.D. passes with an accuracy of 62% (nice bombs!), not to mention Fred Cordova's single season rushing record 1090 yds. Meanwhile, John MacLeod was no. 1 on everyone's poll, Todd Robison always had to pull left (why didn't we ever go right?) and Charlie Campbell went QB hunting. All this and much more provided for an excellent season.

By the way, we crushed Temple City.

Now as far as the JV FOOTBALL team goes, everybody knows that this is the place where the future varsity stars hang out. With such coaches as Crist and Udell doing the job, everyone is almost guaranteed a piece of the fame and fortune which awaits them on the varsity turf. Some of the stars on the way to Coach Cunz' camp are such

## humble

folks as Bob Johnson, Bill Ott, Mike Noll and the back-field tanks - Matt Radnich and Mark Tookey. Defensively, Tom Sheehy should be making the scene thus giving the Titans a shot at CIF again next year.

1. Bob Johnson, next year's quarterback? 2 "The Hammer", Tom Morris, poised for a strike. 3. Repeated physical blows . . . that's all they understand. 4. Anderson unloads the BOMB. 5. The defense moves in for the kill.

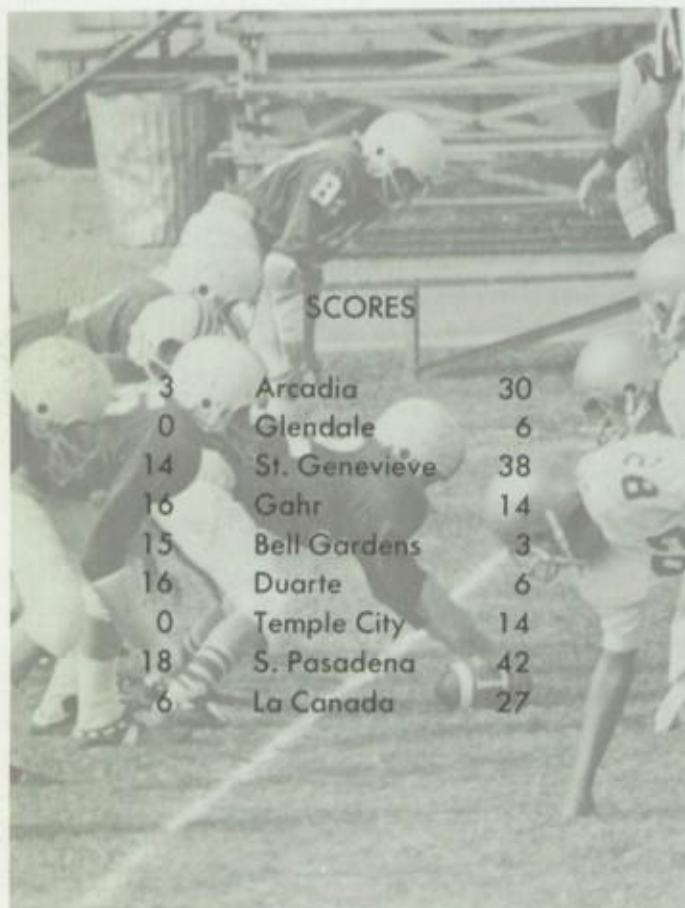

The SOPHOMORE FOOTBALL team had a frustrating season this year, winning 3 out of 9 games. Coaches Bill Maloney and Goerge Arms did a good

## job

keeping the team's enthusiasm up to its preseason level. Some outstanding performances were made by Mike Woffard, Pat O'Meara, John Scott, Greg Forgatch, Matt Haliday, Eric Robison, Chris Hogue, and David Bayle. Remember, its not how you win or lose, but whether you play the game.

accomplishment, each member of the team wears "the coveted Championship patch" on his letterman's jacket. Some of the outstanding members of the team were Co-captains Chuck Chillingworth and Carl Van Fleet, Harlan Bleeker, and Charlie Wenzlau. Coaches Bradford and Ryan are extremely proud of the team's performance. And due to Mr. Bradford's decision to retire from coaching, Mr. Ryan will take charge next year.

Seniors Mark Woodruff and Laurie Glover were chosen by a panel of teachers as the two representatives to attend BOYS' AND GIRLS' STATE, a program that included representatives from many schools throughout California. This program gave them the opportunity to learn about the California system of government on statewide, county and local levels. Their planned activities included working with a two-party system and electing their own officials, including a governor and a lieutenant governor. Although Mark and Laurie both worked very hard on different campaigns, they had a lot of fun attending the event. The honor of having the best

This year, San Marino is fortunate to have as its foreign guests our Belgian beauty Nicole Van Ouystel who is staying with Sue Kendall and radiant Naomi Yoshikawa from Japan who makes her home in the U.S. with Diane Hamlin. "Uh, Oh, I said uh, oh we got the spirit . . ." This year's outstanding VARSITY YELL LEADERS helped boost many of our teams on to CIF play-off berths, and provide our boring Friday lunch periods with lots of spirit at the noon pep rallies. To help raise money for Pep, three of our dedicated Yell leaders, Janet, Eileen, and Cathy held a

booth in the central patio at lunch. Selling kisses they raised a grand total of \$5.00, that went toward fireworks for Homecoming. This, and many other activities this year proved that Varsity Yell really does have "the spirit."

There's lots more to being a FLAG GIRL than meets the eye. This year, Chris, Suzie, Cynthia, Shelley, Kerry, and Julie spent long hours laughing, arguing, and practicing to make up the polished routines that they performed weekly at rallies and games. From

to "Shut up you guys," the personality and general pep of the 1974-75 FLAG GIRLS helped make them an exciting part of school spirit. Their ever-present support of each of the teams was a determining factor in our successful year of sports at San Marino.

This year, the Language Department at San Marino High displayed its long hidden talents in the form of four different cafes, each representing a different European country. Mrs. Giambattista's room was turned into a French cafe, including

booths and secluded corners, while Mr. Shickle turned his Latin room into "Dante's Inferno" featuring Italian goodies that made your mouth water just looking at them! Mr. Say's infamous "room 99" was turned into a charming "Beer Garden." Mr. Meadows used his creativity and transformed the Spanish room into an old world Mexican patio. The whole thing was a huge success, and all four of the language clubs are anxiously looking forward to next year when they can do it all over again.

*Carol, you're so quiet. I never know what to really know you, but since we have dinner in common, nothing else could put us in the same sort of problem. (I mean, I was a problem!) But I have a good summer love. Cindy Taylor*

All of SM's slick greasers and pony-tailed cuties beebopped and sha-do-dah-dahed around SMHS during 50's DAZE. The activities for the week included a volkswagen stuffing contest (35 people went in at one time!) and an egg-tossing contest. 50's DAZE ended on Friday night with an honest-to-goodness 50's dance, complete with a 50's band who call themselves

The 1975 VARSITY BASKETBALL TEAM provided a little excitement for everybody. All were impressed by the team's no loss league record (the first in the school's history) and their outstanding C.I.F. performances. Romas Sprein was chosen to be on 3rd team of All-League, Jeff Locke on 2nd team, and Roger Anderson, Phil Ruland, and Eric Anderson on the 1st team. Eric earned the title of Most Valuable Player in Rio Hondo League. During the games, the Senior

assisted the ref by pointing out which team had fouled (you, you, you). The Senior women, while attempting an occasional cheer, usually spent most of their time watching Coach Dan Mooney and Don Arnold ("Look at those socks!"). The J.V. BASKETBALL TEAM truly experienced the

of victory this year as they took first place in the Rio Hondo League. The success of the team was due largely to such players as Bill Rutz, Kevin Kostlan, Chris Houge, Reed Payne, and Brian Ulf, and to the coaching ability of George Arms. With the J.V. players moving up to the Varsity ranks, next year's team is bound to have another shot at C.I.F.

The VARSITY SWIM TEAM has had a very successful year so far and we expect to take the league. At the beginning of each year Coach Kanner sets goals for his men and he hopes to accomplish them. Inspiration is set by such senior swimmers as Scott Becker who holds two school records and Tom Van Leeuwen who holds a league record. Junior swimmer Mike Elleman (C.I.F. to the team. Two terrific sophomores are: Mike Harrison and Gary Nevill and diver Georgi Manker make the '74 '75 swim team a fantastic one.

The J.V. BASEBALL TEAM has the potential to be the strongest J.V. team in a long time because of their past

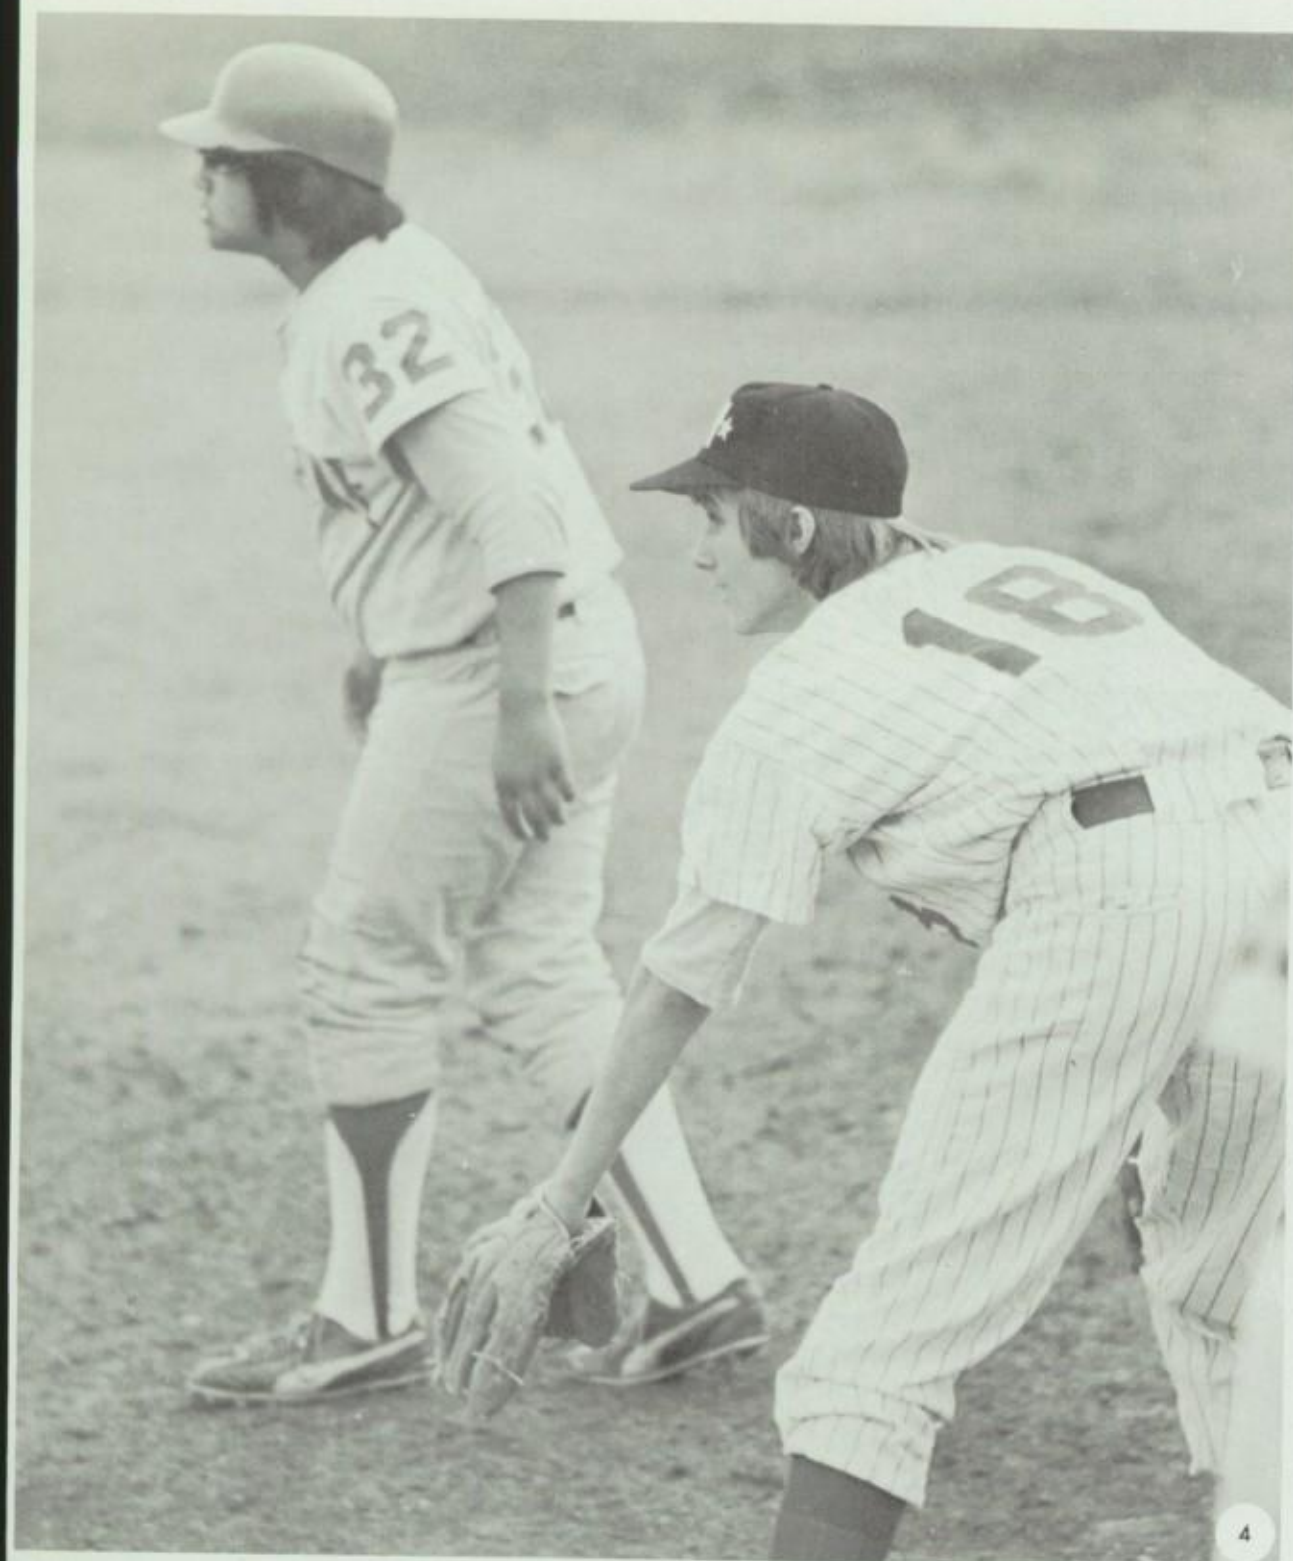

## experience.

The team consists of mostly sophomores, who as freshmen won their league. Some of the outstanding members are: Greg Forgatch who plays third base and is a terrific defensive player, Mickey Torcasso who is an excellent outfielder and had experience on J.V. last year, and Will Rogers who provides good left hand hitting for San Marino. With the help of Coach Udell, how can the team go wrong?

The FRESHMAN BASEBALL TEAM has an excellent chance of winning their league. There is good depth played by the members, and they are all a great

## bunch

of hitters. Some of the players with potential for the season are: Erich Von Batsch playing both third base and pitcher; Scott Rose, a strong center fielder and excellent hitter; Paul Samp, a great pitcher and first baseman; and Jon Stefansson, a top short stop and second baseman. Good luck to the FRESHMAN BASEBALL TEAM of 1974-'75 and Coach Cameron.

The GIRLS' JUNIOR VARSITY BASKETBALL TEAM has performed outstandingly for their first year in league. Currently tied for second place, the team possesses the main ingredient to successful basketball: the ability to work

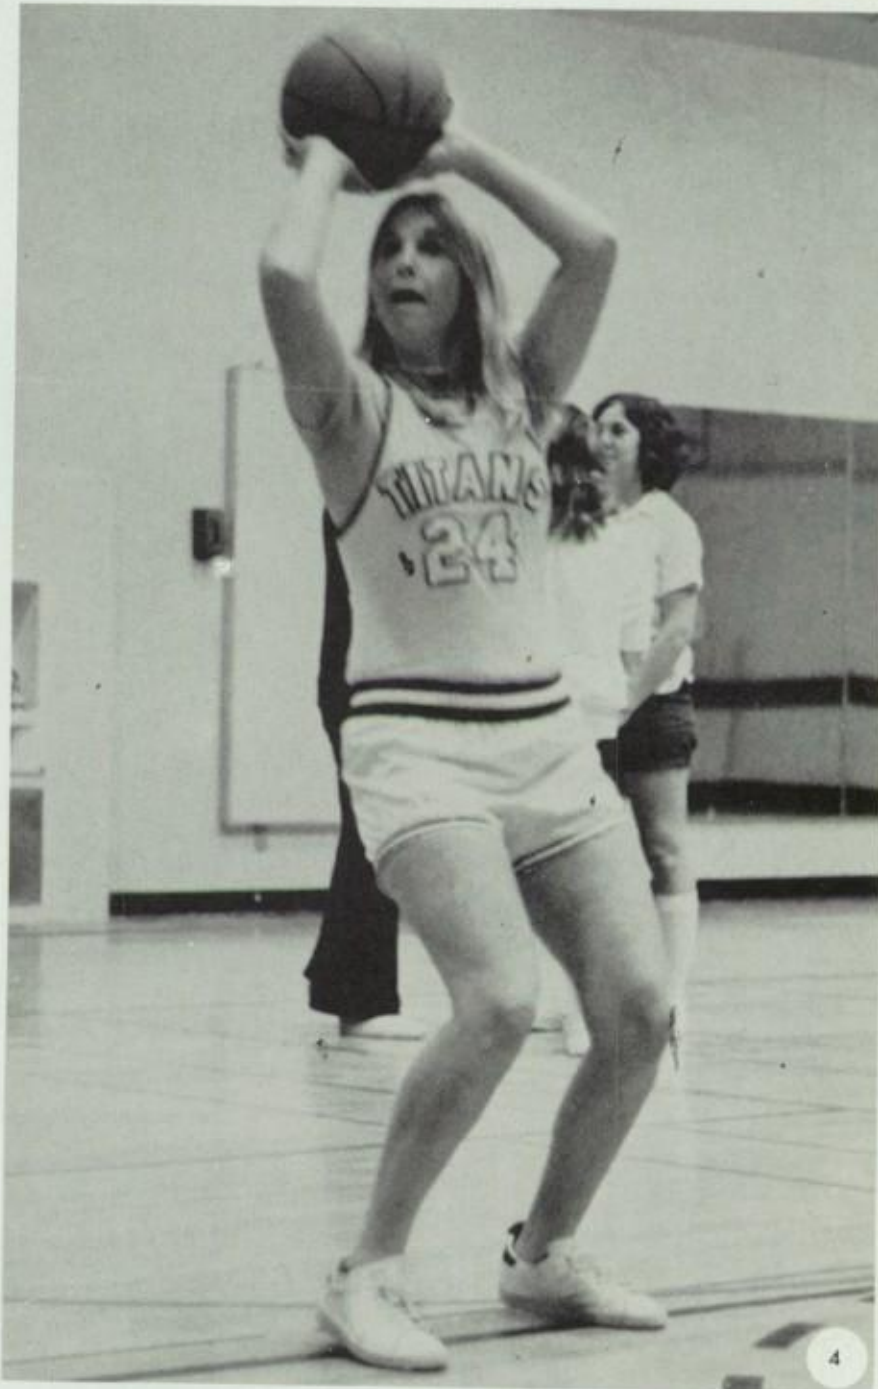

## together

as a team. The strength of their offense is due largely to the exceptional shooting ability of Martha Becker, and Sandy Erickson's capability as a passer and play-maker have made her essential to the team's unity on the court.

for S.M.H.S. The team is made up of twenty-one enthusiastic and hard working girls, ranging in grade from freshmen to seniors. Coach Crist thinks that the team has shown good potential in practices and is expecting a good season.

An excited group gathered in the Central Patio this fall to see who had been deemed active and intelligent by three

committees, and chosen to be a PROMETHEAN. After the excitement had died, the Prometheans met for their first meeting in the cafeteria and had doughnuts and hot chocolate while they were awarded their honorary silver pins bearing the name Prometheans.

The students of S.M.H.S. owe their gratefulness for being relieved from regular classwork to the dedicated members of the Audio Visual Class. This hardworking bunch was responsible for delivering movies, overhead projectors, record players, and film

The great painter in the sky kept Interact's paintbrushes busy this year. INTERACT is responsible for the

San Marino Titans sign on the gym and for the shiny new paint on the football field bleachers for the band and drill team. Aside from painting, Interact also helped the Multiple Sclerosis foundation in their fundraising by placing collection boxes in local business offices. The Interact members have done a great job this year in aiding both the school and the community.

The girls in green, more commonly known as Omegas, were hard at work this year. They could be seen

around the campus asking teachers and athletes for their favorite recipes for the Omega Cookbook, Titans Prefer, and convincing their classmates to buy scary orange pumpkins. Omegas often found themselves entertained by Theresa Smith's brownie eating contest at lunchtime meetings and laughing hilariously after kidnapping Interact members.

The Titan Shield reporters were seen everywhere this year, digging up lead articles and completing assignments appointed by their head chief, Mark Woodruff. Back in their newly established headquarters, the staff rollicked to the antics of Tom Armagost and

while Robert Simpson and Cory Christiensen cracked jokes. The Titan Shield managed to keep on schedule this year and to inform the student body of every event from John Denver's concert to Mr. Bradford's retirement from coaching.

This group of dedicated people are among the select few who understand math enough to really enjoy it. The MATH AND COMPUTER CLUB sponsored a game night, went to Occidental College Math Field Day, and tutored those less

**brilliant**

than themselves during the Open Period this past year.

The SPANISH CLUB had an added highlight this year, the first time ever being a member of the Nationwide Sociedad Honoraria Hispanico. During the year members got together for dinners, went to Olvera Street, and continued their traditional orphanage drive at Christmas-time. All those Oatmeal boxes and Cadbury

The members of FRENCH CLUB were royally fed and entertained this year at French restaurants where they feasted on meals of

## escargot,

sautéed tongue, real French bread and delicious French pastry. The French Club also sponsored for the second year in a row the French Café in the French room for the Language Festival. In the French café one could look out upon Sacre Coeur and the Arch de Triumf while snacking on French pastry or watching French chefs prepare crêpes in front of their eyes. With the money raised from the French café the French Club hopes to buy listening posts for the Language Department.

This yearbook is San Marino High School 1974-1975 in pictures, phrases, and people, courtesy of the TITANIAN STAFF. Rather than regress ten years to a traditional yearbook format consisting solely of trite organizations and athletic jocks, we tried to show San Marino High School in terms of events and influences shaping it. The purpose of this yearbook is not to create nostalgic

but to instill school pride into the minds of all San Marino High School students.

# CURTAIN CALL.....

Dear Carol - Out of all the people in this class, I wouldn't have made it without you.  
Your smile, life savers and dislike for Mr. Rowland have really cheered me up. You're a very sweet and  
gentle person and I'm grateful to have you for a friend. Be happy, have fun this summer and I hope to see  
you next year when you're a mighty sophomore. RAH! Love ya, Meredith

Carol,

It's been good in drama.

Have, friend you  
Hi!

Suzi,

I'd say have a really great summer, but I can't. Hey you and me are going to be cruising our Capri's!

Sandra Davis has one too. Hey we ought to start a club or something! How Sun. Hey

Party Womans!! Don't you just

love this yr. So far? I do

For sure so far it's been the best. Can't wait to sign your other year book. Love Wendy

Dear Suz,

I'm glad I've gotten to know you this year. It's a bit strange writing in a last years Annual. We've had a lot of fun together. Remember new year's eve? unreal! Waiting for Julie until 2:30 was a thriller & finding her next door was even a bigger joke! I've loved talking to you about our heart throbbs, and our notes are totally outrageous. I hope you put your book to good use; cause I don't think my steps will get what you want! I consider you a good friend, and you're fun to be with. This might seem like the every day run of the mill year book signature well it is 'cause what I'd like to say (you know what about) would be totally shocking & probably Censored! Drama has been a thrill a minute, wouldn't you say so? I bet you can't wait 'til you get your licence! Count down the days I guess I can't finish since I've been so rudely interrupted by a certain girl named Suzi duke. Instead I'll write you a long juicy letter about all the you know who's in our lives. OK? See you later.

I love you!

Sena

Dear Suzi -

I feel so wierd signing this year-  
book right now. But anyway, hope you had  
a good year last year and are having a  
good one right now. I'm glad we've got-  
ten to be such good friends - lets always  
keep it that way. It would be so good  
if Lorri L. and Carla got to be good friends  
cause then we could do stuff all together.  
wouldn't that be fun?

Oh well, I think  
Mr. Armendariz  
is wondering  
what I'm doing  
so I'd better  
close.  
I love you,  
Laurie

Undoubtedly many of you have often wondered what goes on at schoolboard meetings. Perhaps you picture a madhouse with ranting and

## raving

board members deciding the future of students over fourteen cups of coffee. Actually these board members are citizens with a sincere interest in students and a knack for making decisions. During the year they must decide upon many things which affect us all.

1. District Office. 2. Walter Dingus, Superintendent of the School District.

Board of Education; Seated left to right: Frank Payne Jr., Sherman Telleen Marilyn Bassett. Standing left to right: Dr. M. Harvey Grimshaw, James Hayward, Bruce McGregor, Walter Dingus.

The students of S.M.H.S. are fortunate in that Mr. Jack Rankin does not fit the stereotype definition of the strict, unreasonable

## ogre

of a principal. In his spare time, Mr. Rankin plays tennis, works with Indian Guides, and he is currently working on his doctorate at U.S.C. We'd like to thank Mr. Rankin for his genuine interest in all students and for making this year memorable.

This year Dr. Phil Miller has had the opportunity to enjoy one of his favorite hobbies, photography, as he has had an interesting subject to photograph. The

## bigfoot,

wonder of "Life Magazine," has been spotted just five hundred yards from his doorstep in Saugus. When Dr. Miller is not shooting "big game," he is content to be the favorite "hang-up" as he disciplines students and directs activities.

Dr. Carol Lambert, Assistant Principal of Instruction, is far from being referred to as a

## dumb

blonde who cruises the drive in her white corvette. This intelligent woman is kept extremely busy with planning this year's curriculum, keeping track of scholastic records, evaluating the faculty, and improving course instruction. She did a great job this year.

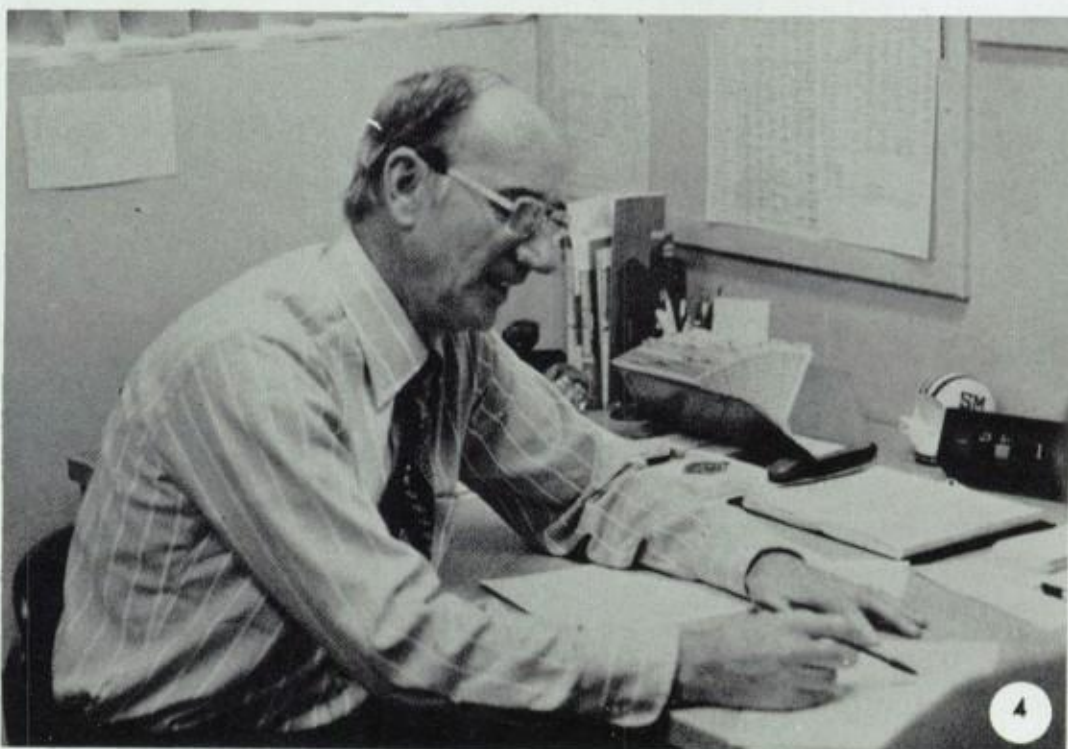

Even though students often storm out of their counselor's office

## cursing

because their counselor stuck them in some thrilling class like basket-weaving, these four administrators try their hardest to do what is best for each individual. Their responsibility is to see that the students are reasonably happy with their class schedule, activities, and general campus life. The counselors help to guide the students toward graduation, and to prepare them for college or a future career.

1. Mr. Phil Wilburton. 2. Mrs. Elizabeth Walker. 3. Mrs. Dorothy Kuhnlein. 4. Mr. Joseph Volz.

1. Betty Sweetman, Library Clerk. 2. Violet Godfrey, Registrar; Dorothy Shearin, Guidance Clerk. 3. Margaret Gaffney, Secretary. 4. Mrs. Ethelyn Polley, Secretary; not pictured, Betty Patton, Athletics Clerk. 5. Barbara Bliss, Attendance Clerk.

"Mrs. Gaffney, I have to run off one more ditto — I promise this will be the last one today." "I

## lost

my absence card, Mrs. Bliss . . . and I didn't cut, I just, ah, lost my note on the way to school." The efficient and dedicated secretaries certainly need a sense of humor around the campus! Their countless everyday jobs are a great aid in running our school. The lives of students and teachers would surely turn to disaster if not for the hard work of our secretaries.

"What? You're out of pizza? What kind of a joint is this!" "What do you mean you can't give out salads on this side!" "No more

## tacquitos!

Then give me a bag of french fries." These are the complaints the cafeteria ladies often hear amid the noise of the fan, the clatter of trays, and the general hum of the students waiting in line. Even though the food runs out at times, these ladies do a fantastic job of cooking the delectable delights. Thank you once again Evelyn and Hoy! Special thanks should also go to our great custodial crew, for the great job they have done this year.

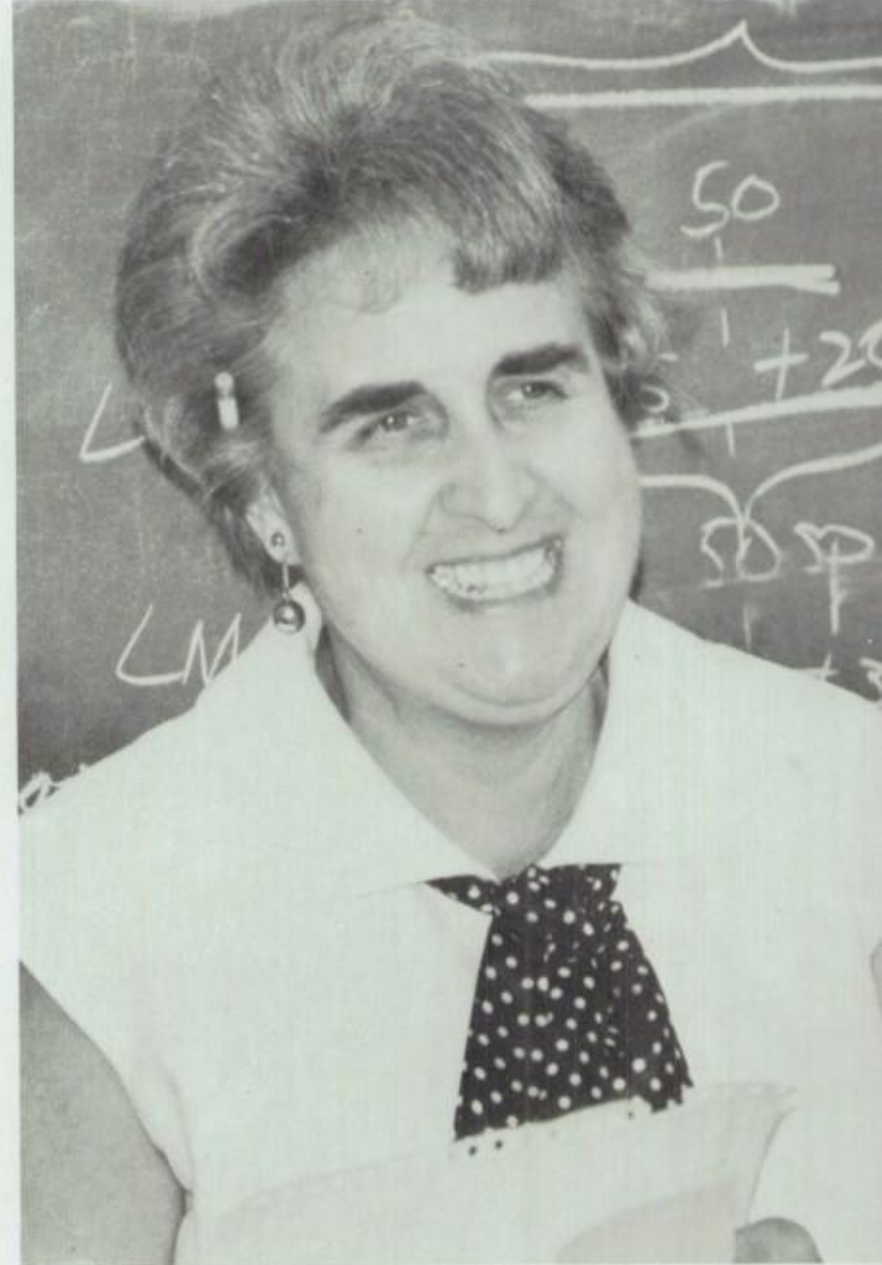

1. Evelyn Large. 2. Hoy Cowen. 3. Alfred Franco, Tom Prather, James Donoghue, Carlos Valenzuela, McClinton Newsome, Gus Cardenas. 4. Audrey Golden and Carol Metz giving up their noontime to work in the cafeteria.

The room was big and smelled of chalk and old books.  
My teacher was tall and wore

dresses. Once I had to stay in during recess because I  
 got caught chewing gum. My parents expected me to

 become a teacher? It's hard to say.

The 1974 SENIOR Class Picnic was held at Monarch Bay on a beautiful sunny day in October. It was a scene reminiscent of that film classic, "Beach Blanket Bingo." Eric Anderson and Karen Keath played the leading roles before a backdrop of

Another cause for pause this year was the SAT examination. Tired SENIORS

Where were you at 8:30, January 10, 1975? Most of the Sophomore and Freshman Classes were at the Rivalry Day Dance Contest. Everybody was rockin' & reelin' to the beat of the drums and the vibes of the electric guitars. Anne Leland and Bill Barney

February 6, 1975 marked the day that San Marino High School had its first auction of the school's history. The auction was a most peculiar one, as they auctioned off guys to the girl who payed the most money. John Wagner, the

class fox, was sold to senior Julie Hart for \$17.75. The money went to pay for a seven course dinner cooked by Mr. Robert Lewis held at a house overlooking the Rose Bowl.

At 8:00 on Monday morning, September 16, 1974, school began, and a new batch of students were walking around the campus of S.M.H.S. These new and unfamiliar faces were those of the wide-eyed Freshmen. Filled with inspiration, the class of '78 went full

ahead into their first year of high school. They wasted no time in getting down to business and elected their class representatives to the school's government.

Throughout the week before Homecoming, an air of excitement and anxious waiting made its presence known on the campus and surrounding areas of San Marino. And, when all was quiet, and the previous excitement was merely a memory, only a few lone pieces of

ornamented the gray asphalt of Huntington Drive as a pleasant reminder of the week's many activities representative of 1974's Homecoming, "Color My World." It was a day never to be forgotten as our mighty Titans plucked the Duarte Falcons.

1. Eric Anderson passes to victory. 2. Jane Irwin leads her group on at the Homecoming half time show. 3. AFSers Nicole and Naomi show their dazzling smiles. 4. B-Yell spots Fred Cordova. 5. Senior Princess Laurie Grant and Junior Princess Nancy Wilson take a breather to act natural during the parade.

At last, the fated moment had arrived when Princesses Laurie Grant and Nancy Wilson looked on as Bill Holl bestowed the long-awaited

For those who stayed behind at SMHS during YOSEMITE WEEK, there were many planned activities to divert their attention from the fact that they were stuck here at home. Many teachers and students taught special interest classes such as

climbing, astronomy, macrame, photography, and many other classes were featured in two hour lengths as extended open periods. The highlight of these classes was Tom James backpacking and wilderness foods demonstration. When he cooked his food, his stove blew up!

1974 rated as one of the best San Marino Varsity Football seasons ever. The Titans were unstoppable in the Rio-Hondo League and went on to the CIF playoffs, losing in the quarter finals by one point-

## bad eggs!

New figures in the books are Eric Anderson's 18 T.D. passes with an accuracy of 62% (nice bombs!), not to mention Fred Cordova's single season rushing record 1090 yds. Meanwhile, John MacLeod was no. 1 on everyone's poll, Todd Robison always had to pull left (why didn't we ever go right?) and Charlie Campbell went QB hunting. All this and much more provided for an excellent season.

By the way, we crushed Temple City.

Seniors Mark Woodruff and Laurie Glover were chosen by a panel of teachers as the two representatives to attend BOYS' AND GIRLS' STATE, a program that included representatives from many schools throughout California. This program gave them the opportunity to learn about the California system of government on statewide, county and local levels. Their planned activities included working with a two-party system and electing their own officials, including a governor and a lieutenant governor. Although Mark and Laurie both worked very hard on different campaigns, they had a lot of fun attending the event. The honor of having the best

was bestowed on Laurie by her fellow constituents.

"Uh, Oh, I said uh, oh we got the spirit . . ." This year's outstanding VARSITY YELL LEADERS helped boost many of our teams on to CIF play-off berths, and provide our boring Friday lunch periods with lots of spirit at the noon pep rallies. To help raise money for Pep, three of our dedicated Yell leaders, Janet, Eileen, and Cathy held a

booth in the central patio at lunch. Selling kisses they raised a grand total of \$5.00, that went toward fireworks for Homecoming. This, and many other activities this year proved that Varsity Yell really does have "the spirit."

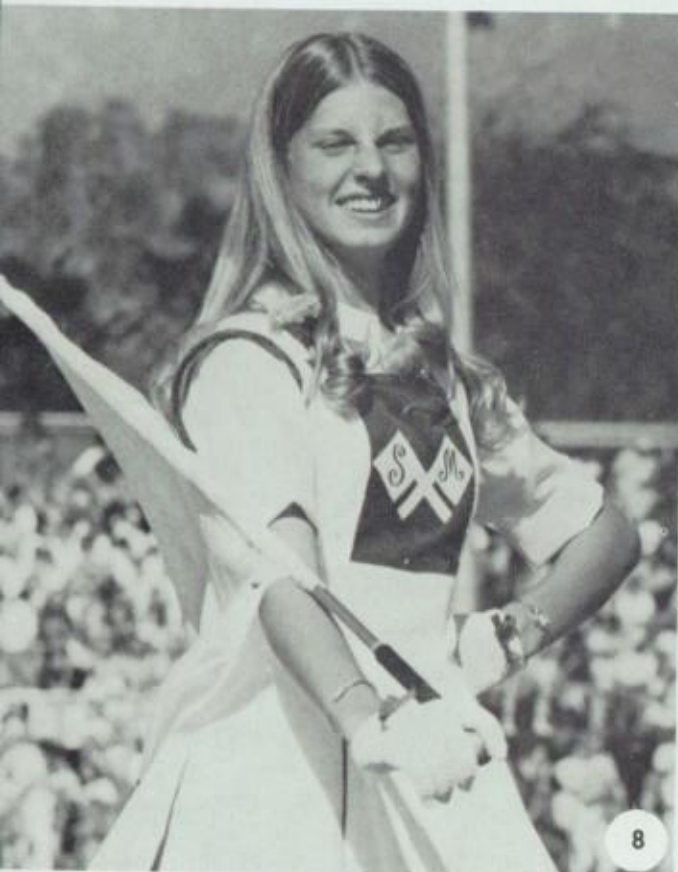

There's lots more to being a FLAG GIRL than meets the eye. This year, Chris, Suzie, Cynthia, Shelley, Kerry, and Julie spent long hours laughing, arguing, and practicing to make up the polished routines that they performed weekly at rallies and games. From

to "Shut up you guys," the personality and general pep of the 1974-75 FLAG GIRLS helped make them an exciting part of school spirit. Their ever-present support of each of the teams was a determining factor in our successful year of sports at San Marino.

or questions, please see me in cabin 108." This year's Yosemite Institute trip was a great success. Hikes along the Merced River and to the Upper Falls, Indian Folklore, discussion on the eating habits of the Diamond-toothed gopher, and sleeping overnight in makeshift snow caves, highlighted the week which was enjoyed by all from the meadow people to the chaperones.

This year, the Language Department at San Marino High displayed its long hidden talents in the form of four different cafes, each representing a different European country. Mrs. Giambattista's room was turned into a French cafe, including

booths and secluded corners, while Mr. Shickle turned his Latin room into "Dante's Inferno" featuring Italian goodies that made your mouth water just looking at them! Mr. Say's infamous "room 99" was turned into a charming "Beer Garden." Mr. Meadows used his creativity and transformed the Spanish room into an old world Mexican patio. The whole thing was a huge success, and all four of the language clubs are anxiously looking forward to next year when they can do it all over again.

All of SM's slick greasers and pony-tailed cuties beebopped and sha-do-dah-dahed around SMHS during 50's DAZE. The activities for the week included a volkswagen stuffing contest (35 people went in at one time!) and an egg-tossing contest. 50's DAZE ended on Friday night with an honest-to-goodness 50's dance, complete with a 50's band who call themselves

Scotty and the Hankies. They played such memorable tunes as "Rock Around the Clock" and "Barbara Ann". Everyone had a cool time, except for the poor greasers who had to wash the vaseline out of their hair after the whole thing was over.

The 1975 VARSITY BASKETBALL TEAM provided a little excitement for everybody. All were impressed by the team's no loss league record (the first in the school's history) and their outstanding C.I.F. performances. Romas Sprein was chosen to be on 3rd team of All-League, Jeff Locke on 2nd team, and Roger Anderson, Phil Ruland, and Eric Anderson on the 1st team. Eric earned the title of Most Valuable Player in Rio Hondo League. During the games, the Senior

of victory this year as they took first place in the Rio Hondo League. The success of the team was due largely to such players as Bill Rutz, Kevin Kostlan, Chris Houge, Reed Payne, and Brian Ulf, and to the coaching ability of George Arms. With the J.V. players moving up to the Varsity ranks, next year's team is bound to have another shot at C.I.F.

The VARSITY SWIM TEAM has had a very successful year so far and we expect to take the league. At the beginning of each year Coach Kanner sets goals for his men and he hopes to accomplish them. Inspiration is set by such senior swimmers as Scott Becker who holds two school records and Tom Van Leeuwen who holds a league record. Junior swimmer Mike Elleman (C.I.F. to the team. Two terrific sophomores are: Mike Harrison and Gary Nevill and diver Georgi Manker make the '74 '75 swim team a fantastic one.

The team consists of mostly sophomores, who as freshmen won their league. Some of the outstanding members are: Greg Forgatch who plays third base and is a terrific defensive player, Mickey Torcasso who is an excellent outfielder and had experience on J.V. last year, and Will Rogers who provides good left hand hitting for San Marino. The GIRLS' JUNIOR VARSITY BASKETBALL TEAM has performed outstandingly for their first year in league. Currently tied for second place, the team possesses the main ingredient to successful basketball: the ability to work

as a team. The strength of their offense is due largely to the exceptional shooting ability of Martha Becker, and Sandy Erickson's capability as a passer and play-maker have made her essential to the team's unity on the court.

This year the members of the newly formed SURFING CLUB polished their boards and headed off for a week-end

The great painter in the sky kept Interact's paintbrushes busy this year. INTERACT is responsible for the

Aside from painting, Interact also helped the Multiple Sclerosis foundation in their fundraising by placing collection boxes in local business offices. The Interact members have done a great job this year in aiding both the school and the community.

The girls in green, more commonly known as Omegas, were hard at work this year. They could be seen

around the campus asking teachers and athletes for their favorite recipes for the Omega Cookbook, Titans Prefer, and convincing their classmates to buy scary orange pumpkins. Omegas often found themselves entertained by Theresa Smith's brownie eating contest at lunchtime meetings and laughing hilariously after kidnapping Interact members.

The Titan Shield reporters were seen everywhere this year, digging up lead articles and completing assignments appointed by their head chief, Mark Woodruff. Back in their newly established headquarters, the staff rollicked to the antics of Tom Armagost and

The members of FRENCH CLUB were royally fed and entertained this year at French restaurants where they feasted on meals of

In the French café one could look out upon Sacre Coeur and the Arch de Triumph while snacking on French pastry or watching French chefs prepare crêpes in front of their eyes. With the money raised from the French café the French Club hopes to buy listening posts for the Language Department.

This yearbook is San Marino High School 1974-1975 in pictures, phrases, and people, courtesy of the TITANIAN STAFF. Rather than regress ten years to a traditional yearbook format consisting solely of trite organizations and athletic jocks, we tried to show San Marino High School in terms of events and influences shaping it. The purpose of this yearbook is not to create nostalgic

but to instill school pride into the minds of all San Marino High School students.

"The play's the thing wherein  
I'll capture the

## CONSCIENCE

Of the King."  
Shakespeare

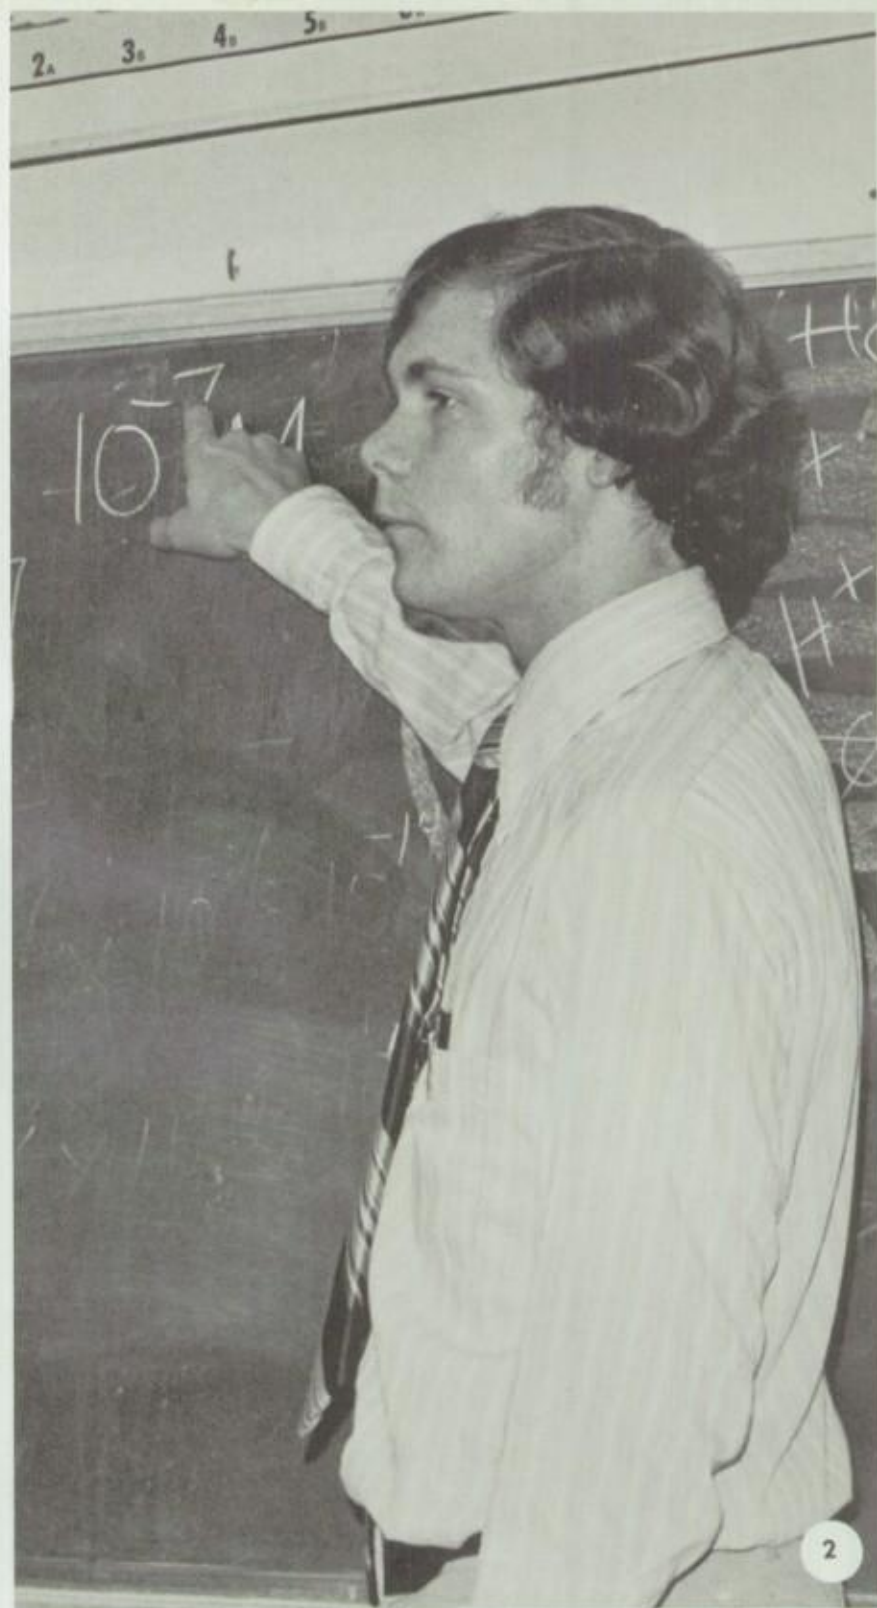

Senior students filling the teacher's shoes for a day, made classes a little more interesting. For classes that got out of control, Vice Principal Rich Gadbois gladly took

## action.

Senior teaching day became a day of realization, for the seniors found out it takes a lot of hard work to teach 30 uncooperative students.

1. Kevin Lynn, Tom Van Leeuwen, Karen Heath, and Mark Henzel all seem enthused at the prospect of teaching for a day. 2. Peter Gunder, deeply involved in the teaching of Chemistry. 3. Elizabeth Snowden: "No one knows the answer?" 4. Margie Manker acting as principal for a day. 5. Senior Dave Funsten discusses "San Marino as a Whole" in Mr. Purga's U.S. History class. 6. Jim Gott displays his mastery of an Oriental art. 7. Steve Mace boogies on his sax. 8. Jeff Landen and Jim McClung captivate their audience with mellow tunes. 9. Ernie Marchosky makes his debut with Sunny and The Rays. 10. Mark Manders skillfully portrays The Thinker.

The 1975 Talent Show proved itself to be a truly entertaining assembly which contained a collection of acts with varying degrees of

## talent.

An impressive sword dance by Jim Gott and well coordinated guitar melodies by Jeff Landen and Jim McClung seemed to be the more talented entries in the show, but appearances by "The Thinker" and "Sunny and the Rays" took center stage. Mark Manders, John Clemmons, and Mark Campbell amused the audience with their well rehearsed, but not so talented "Thinker" act. The "Rays" which included Jeff Grady, Bill Lewis, Ernie Marchosky, Marty Slaughter, Steve Mace and Todd Robison dazzled the crowd with visual imagery, while the audio part of their act was provided by Beach Boys and Beatle's albums. Dancing also had its part in the show as Leslie Arnett, Julie Vaughn, Brooke Smith, and Gretchen Garrett captured the attention of the masses in the seats below.

April nineteenth - a night of enchantment, a night of romance - the night of the JR.-SENIOR PROM. Over 170 couples donned their finest attire, from Bill Perri's classic black tails to Jeff Landon's patriotic top hat, to climb the stairway to

## heaven

at the Sheraton Universal Hotel in Universal City. Couples danced to the soft music of Spring Canyon, or simply strolled through the lovely gardens that surrounded the ballroom. Surely this will be a night to remember for those who attended.

Kathy Hunefeld and date . . . "Sorry, We've really got to go." 8. Kim Bilitch and Miguel Hidalgo, head toward the dance floor.

This year's Senior Class Musical, "West Side Story," proved to be one of the most successful productions ever to appear on the San Marino stage. The play brought into the

## limelight

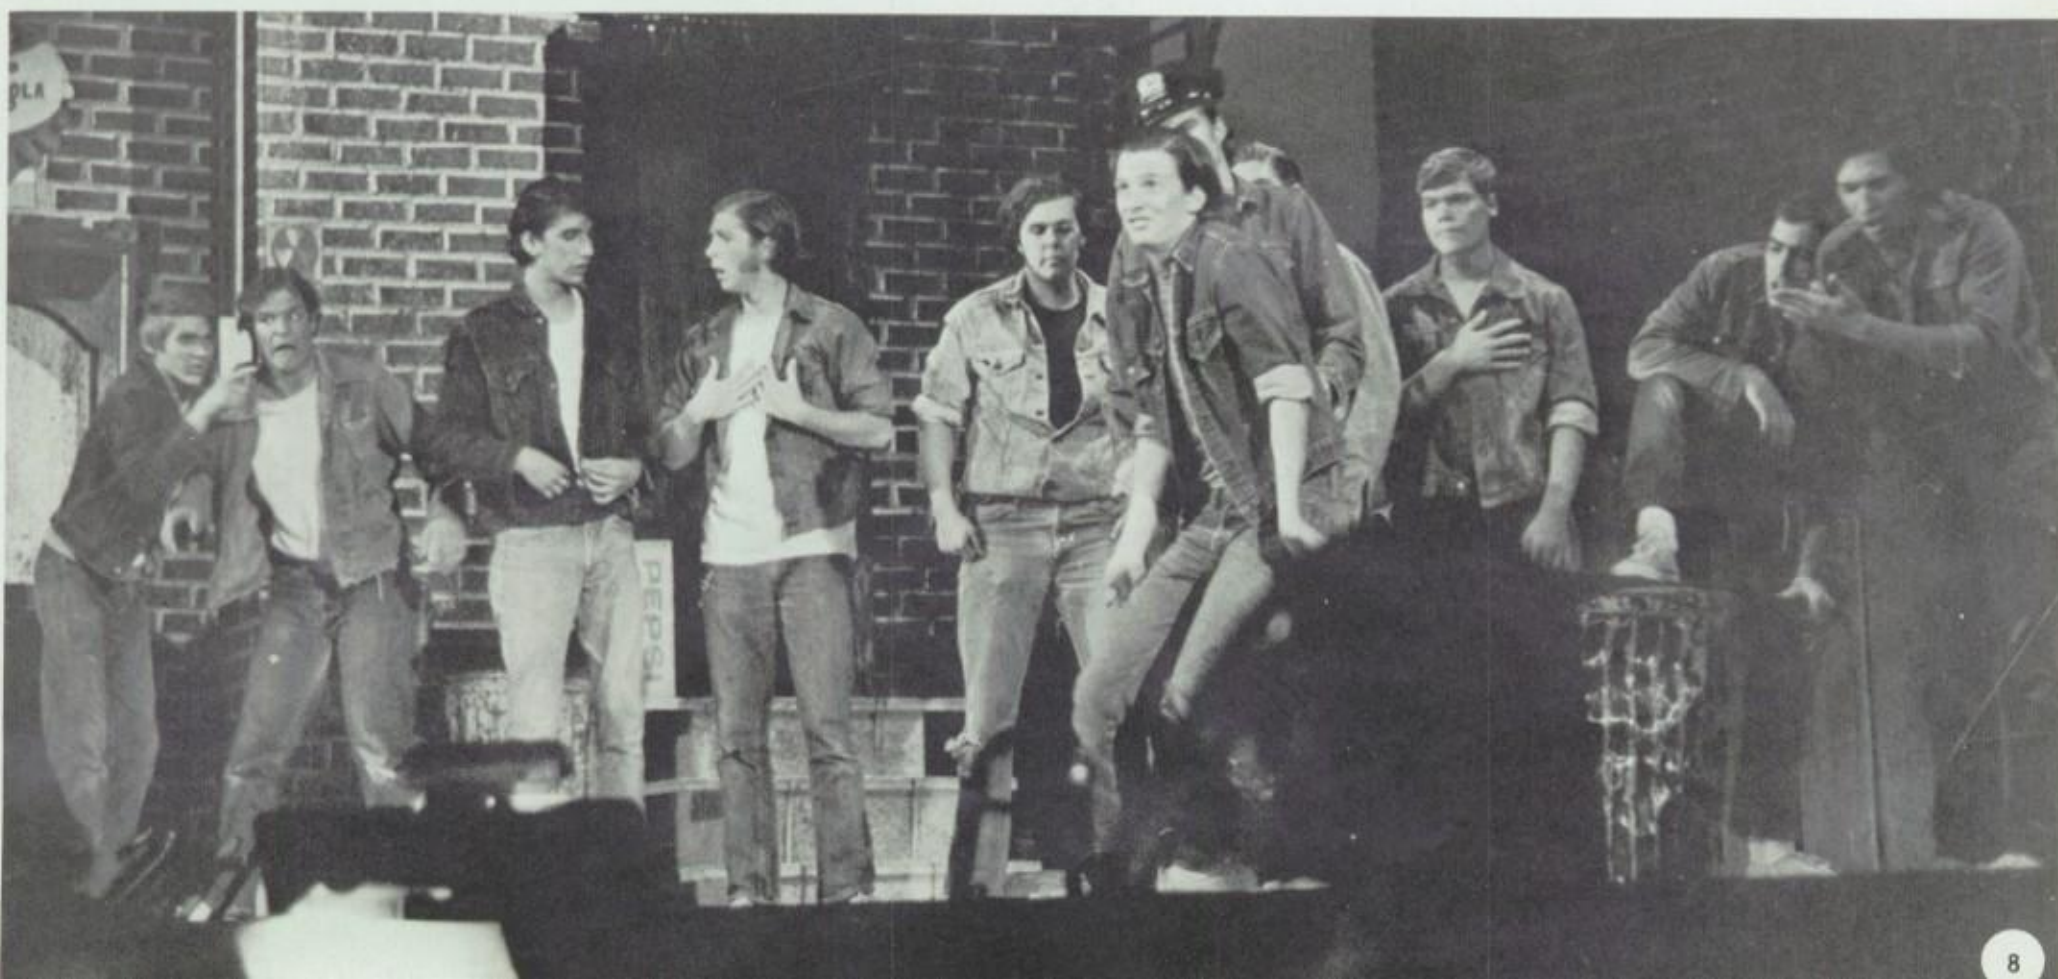

several outstanding performers, including Carrie Anderson, as Maria, Brian Ulf, as Tony, and Kevin Kratzer as Anita. The months of hard work were evident through songs like "America" and "Gee, Officer Krupke!" in which the singing and dancing rated perfection. As one member of the cast declared, "It was one of the most worthwhile experiences of my entire life."

1. Sharks: "We're gonna rumble tonight." 2. Tony (Brian Ulf) panics after killing Bernardo. 3. Tough little kid ain't she? 4. Riff (Steve Mace) and Bernardo (Tom Morris) knife it out at the rumble. 5. Anita (Kevin Kratzer) taunts Rosalia (Sheryl Simpson) in "America." 6. Maria (Carrie Anderson) sneaks out for a secret rendezvous with Tony. 7. Tony and Maria exchange vows of love. 8. The Jets engage in a humorous chorus of "Gee, Officer Krupke!"

Each year the school honors its graduating class with an awards assembly. This year's presentation was a dazzling success. Seniors happily accepted the

## accolades

of their fellow schoolmates and teachers to the accompaniment of jokes of the class of '76's "Laugh-In." Hosts Steve "Dan Rowan" Talt and Fred "Dick Martin" Soldwedel suavely managed to both compliment and insult the class of '75. Among the many honors given that morning, the most prestigious awards, Boy and Girl of the Year, were bestowed upon Mark Woodruff and Elizabeth Snowden, while the Athlete of the Year award was received by Eric Anderson.

1. John Hunter escorts Linda Stafford to the stage to receive the Girls' Athlete of the Year award. 2. Seniors enter the auditorium in a sober manner appropriate for this solemn occasion. 3. Laurie Cheyovich and D. D. Lyte crown Dave Hampton queen of the Senior Awards Assembly as his court looks on in approval. 4. Outstanding Science student Peter Gunder is escorted by the lovely Leslie Dixon. 5. The Reverend Rick Thyne joins the seniors in singing "Somewhere." 6. Seniors show threads of sentiment as they participate in the Baccalaureate program. 7. Jim McClung accompanies the readings on his amazing six-string. 8. Under the direction of Joan Lauritzen, the Senior Choir sings "The Lord's Prayer." 9. Tom Selinske gives his personal direction as Jenny Botzbach looks on.

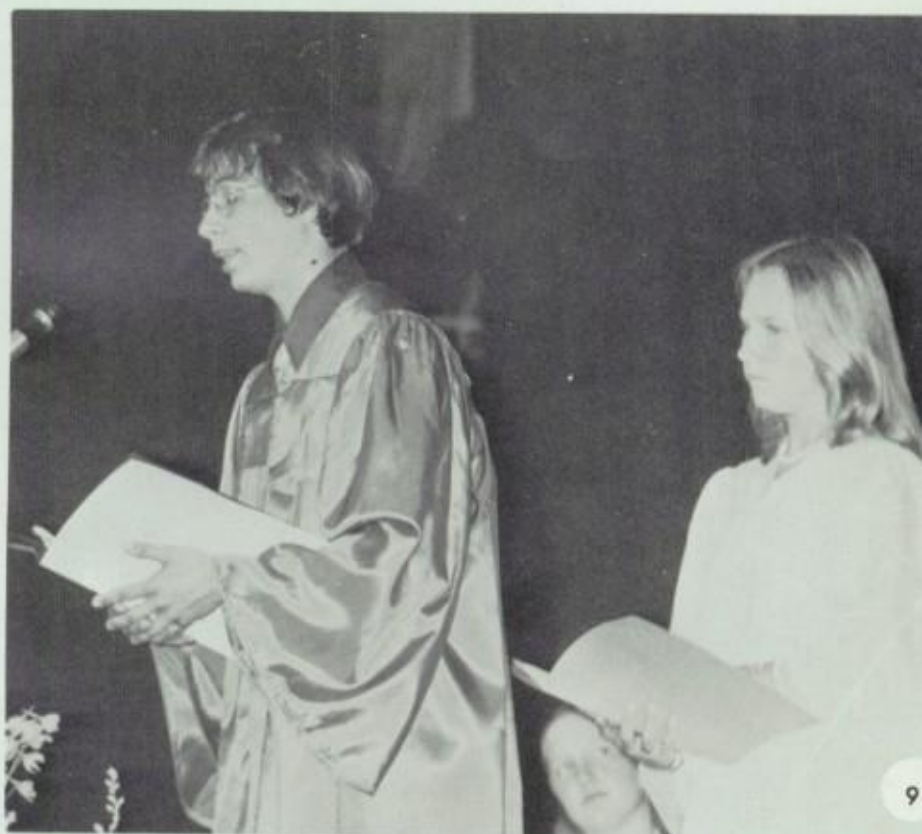

The Class of 1975 solemnly entered the auditorium to the strains of "Pomp and Circumstance" as their parents and friends looked on. Once settled, the audience was

## entertained

by an all senior cast. These students helped to inspire their classmates with songs, readings, and speeches. One inspirational song, written by Pam Hoover and read by Peter Farrington, was met with the hearty approval of all. By the time the recessional was over, many seniors were observed covertly wiping away tears.

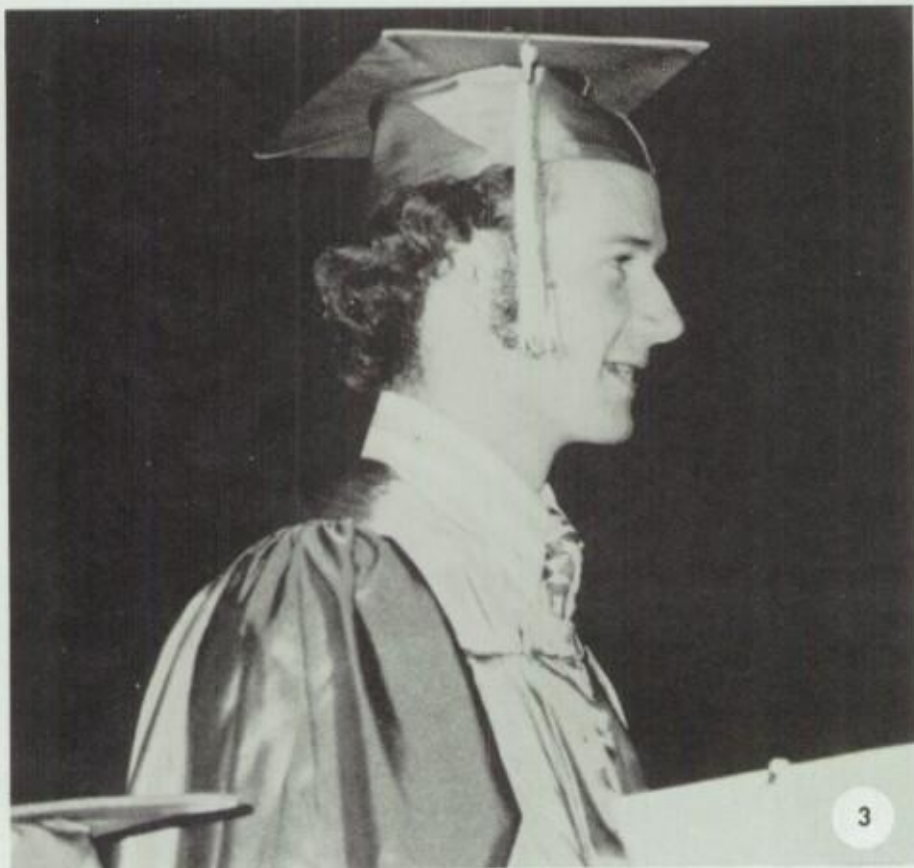

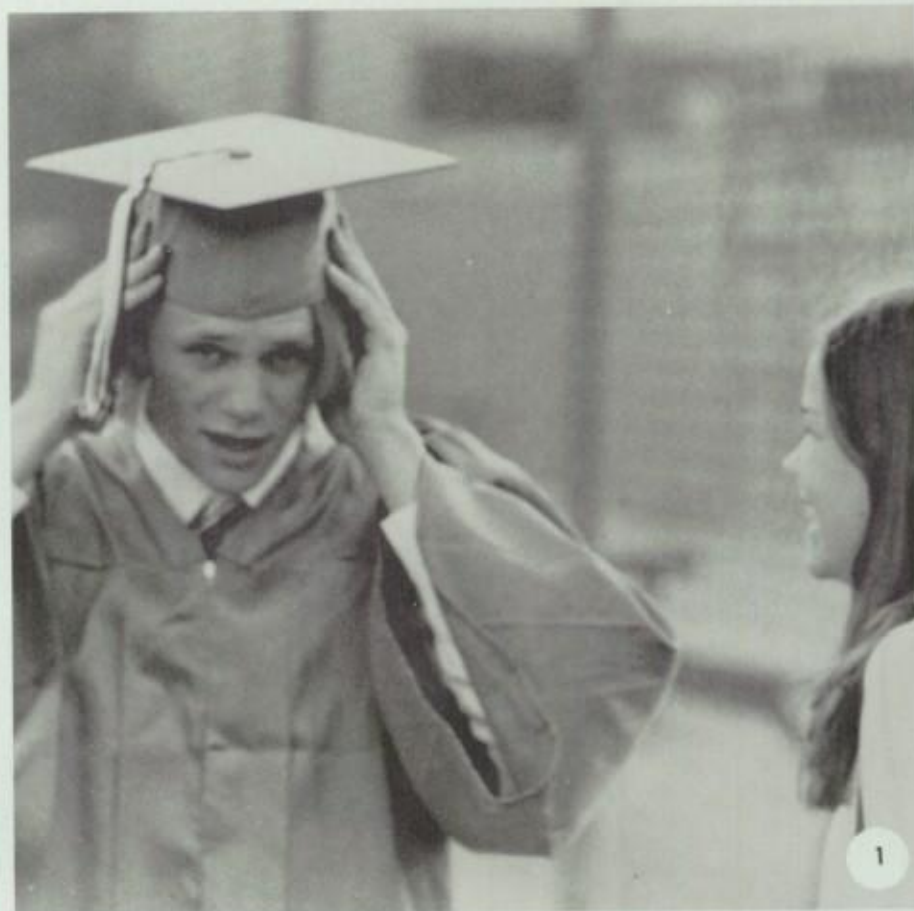

Although the arrival of the Class of 1975 was somewhat delayed, the actual

## ceremony

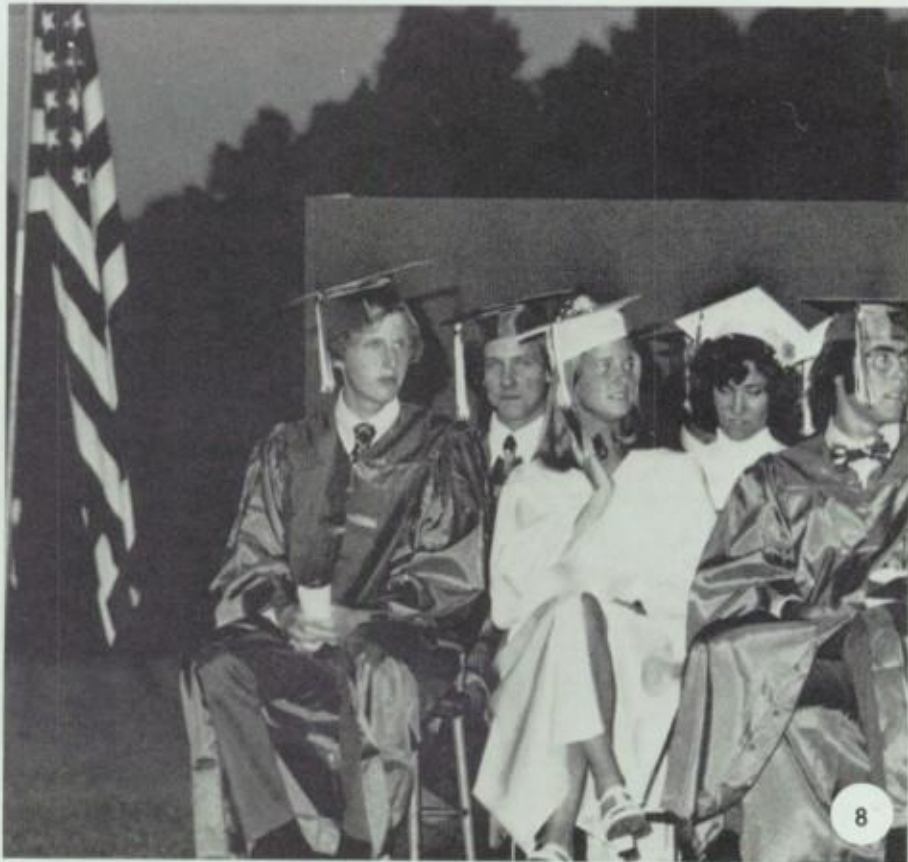

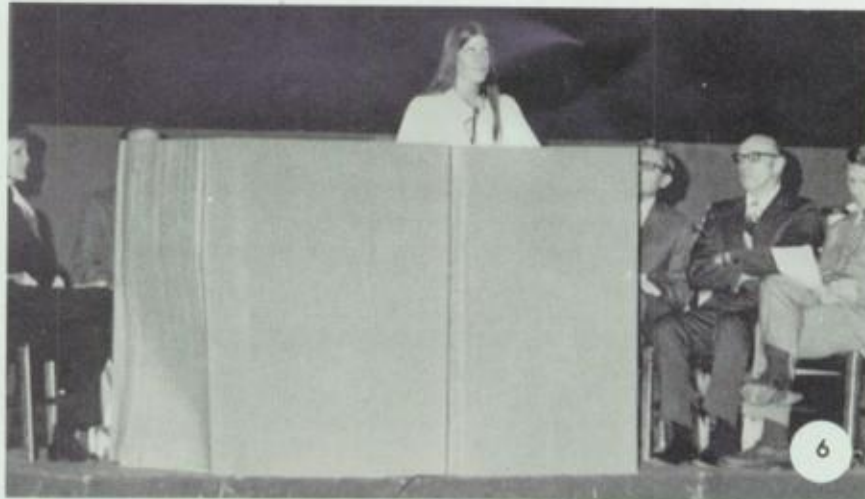

went off without a hitch. Both seniors and audience enjoyed the speeches of Mr. Walter Dingus, Mrs. Marilyn Bassett, Elizabeth Snowden, Don Gould, and Mr. Jack Rankin. After the class members received their diplomas they joined in singing the SMHS Alma Mater amid an exuberant shower of mortarboards. Following the recessional, parents and friends were greeted by the graduates who then rushed off to change for their all-night party.

1. Jim Nores to Meredith Bertch: "Is it straight?" 2. Randy Linsalato smiles over the knowledge of no more classes to attend at SMHS. 3. Tom Brashares - does this make up for it? 4. Tim Noll concentrates on not tripping during the commencement processions. 5. "PAUL HENRY BIMMERMAN THE THIRD" 6. Elizabeth Snowden, valedictorian, delivers her speech. 7. Doug Wilson pauses to reflect upon his past four years in high school. 8. Seniors listen attentively to Superintendent Walter Dingus' speech. 9. Maribelle Siy, one of our early graduates, gives a smile of relief knowing she is out.

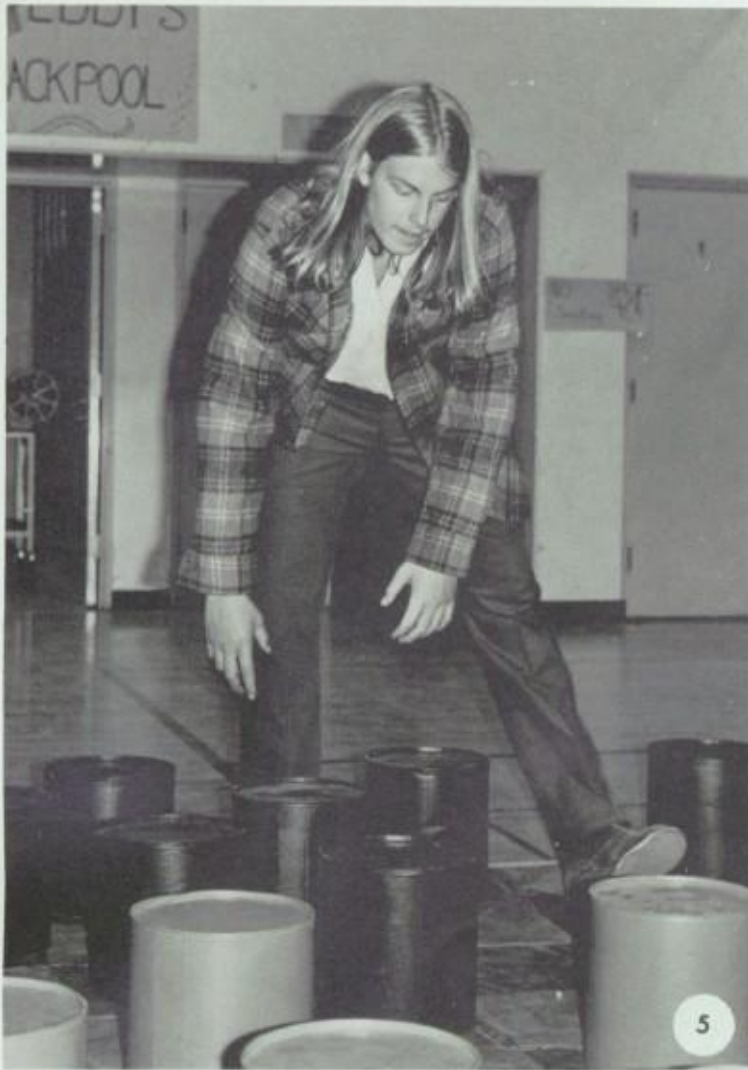

This year's Community Grad-Night Committee outdid themselves in all aspects of preparation for the seniors' all night party. From the beautiful dolphins jumping out of the ocean foam against the red and yellow hues of sunset on the facade to the underwater ballroom, complete with sunken ship and diver, the theme, "Neptune's Fantasy," was skillfully and delightfully carried through. Seniors and their guests ate a specially prepared meal of

## shish-ka-bob

and rice pilaff served by junior fathers dressed as sailors. For desert, there was ice cream and cake topped with chocolate syrup dipped from sandpails. After dinner, "Spring Canyon" provided dance music for those who enjoyed boogieing, while the more ambitious ventured out into the courtyard to try their luck at one of the many games offered.

1. Julie Fortier: "And next I'm going to get the big stuffed tiger and then a frisbee and then . . ." 2. Mr. McGhee entertains the seniors with old salty ballads and sailor jingles. 3. Liza Zack is captivated by the magician (Is it his tricks or his looks, Liza?). 4. Rich Gadbois and Carrie Anderson enjoy watching their fellow classmates dance to the vibes of "Spring Canyon." 5. Darrell Ross jumps a man in the giant checker game. 6. Gen Brink going for the real thing. 7. Margaret Sil-  
liker proudly displays the Snoopy she won. 8. Seniors gather around the courtyard for talk and games. 9. Tom Brashares deftly returns the ball in a roaring game of ping pong.

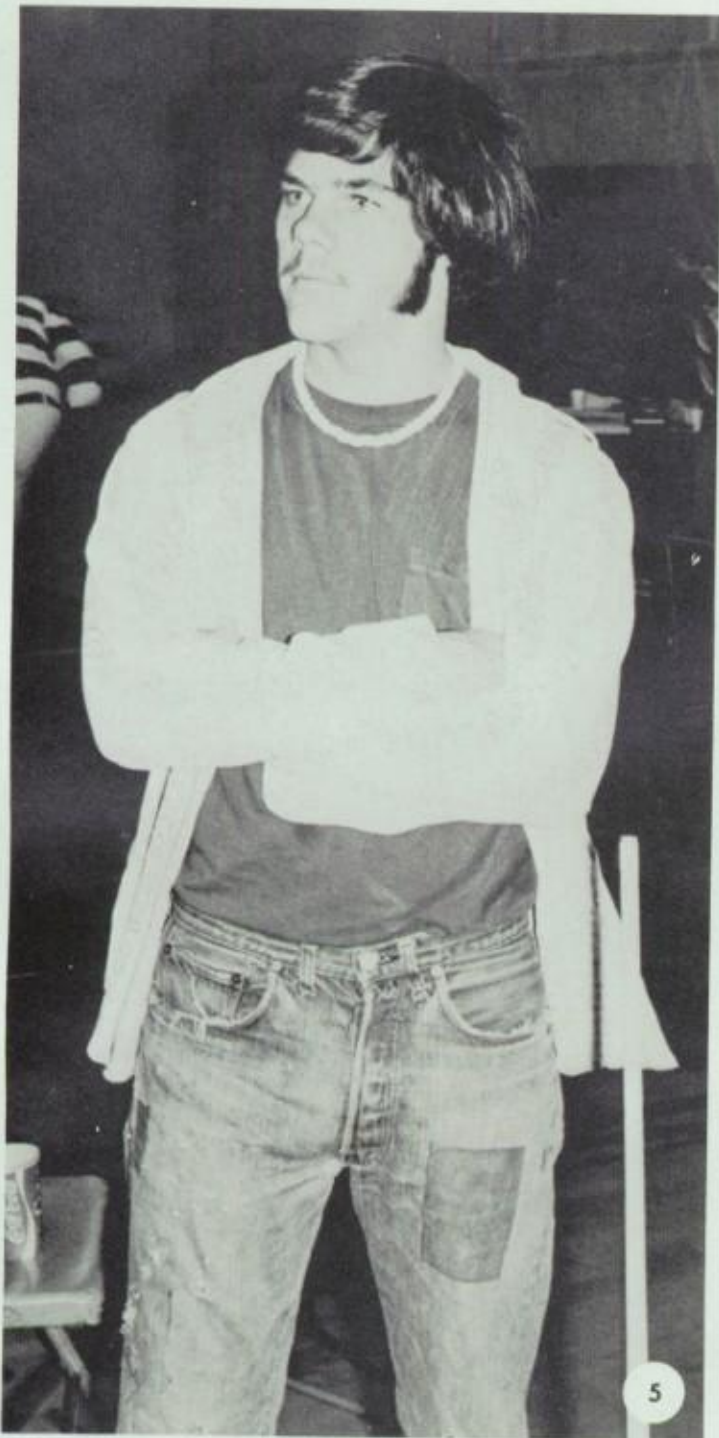

Amid all the chatter of dinner at GRAD-NIGHT, a voice boomed over the microphone announcing the time had arrived for the drawing of the special prizes. Suddenly everyone became attentive as they sat perched on the edge of their chairs with fingers crossed anticipating the moment of the announcement of the

## grand

prize with hopes that their name would be selected. One after another, names were drawn and prizes awarded. Among the many prizes were dinners for two, concert tickets, portable T.V.'s, and 10 speed bikes. Finally, with the accompaniment of a drum roll, the winner of the grand prize of the evening, round trip plane tickets and dinner for two in San Francisco, was announced - the lucky Miss Dede Ruppert.

1. Jeff Johnson and Kerry Walsh enjoy their shish-ka-bob and pilaff.  
 2. Janice Bourgeois strategically plans her next move. 3. Greg Solt has his caricature drawn. 4. Maribelle Siy and Lynn Pettey made their way out to the dance floor during dinner. 6. Matt Crane and Carter "Tut" Tutwiler sigh with heavy hearts over leaving SMHS.

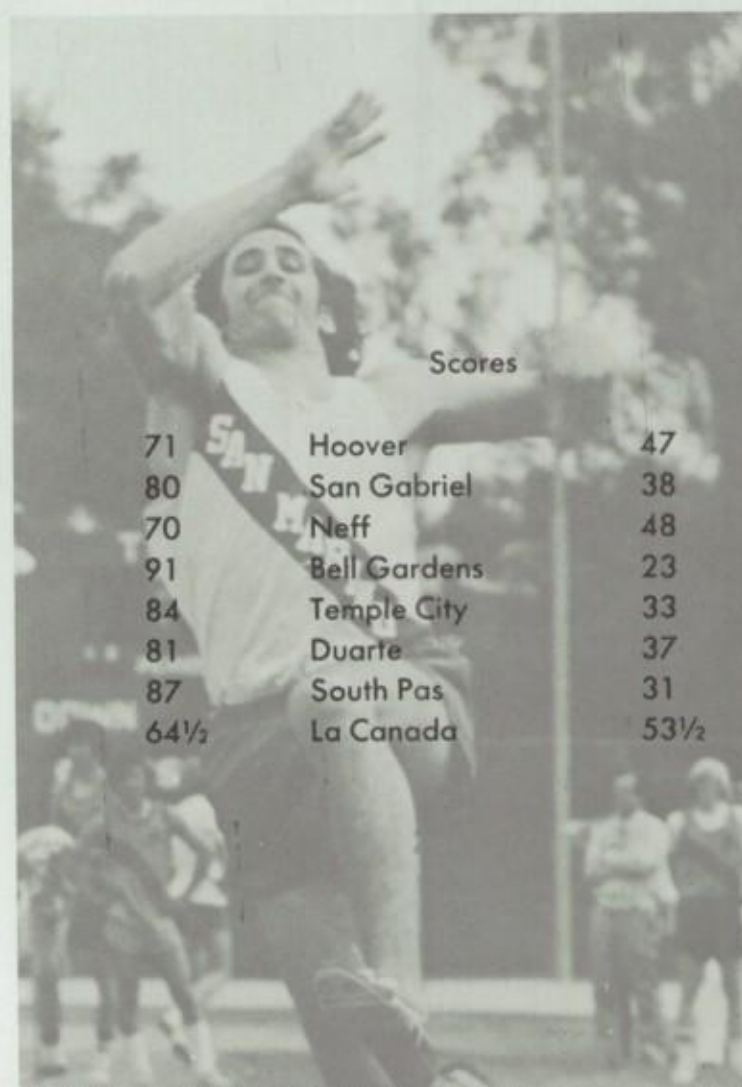

The 1975 Track team fulfilled all pre-season expectations by beating La Canada for the first time in 3 years and capturing the Rio Hondo League Championship. The team also produced more C.I.F. qualifiers than any other 2A school. Outstanding runners like Carl Van Fleet, Chuck Chillingworth, Ken Volk, Harlan Bleeker, Matt MacLaren, and Charlie Wenzlau showed good strength in both league and C.I.F. competition. Carl Van Fleet had an excellent performance in the C.I.F. 880 race, setting a new 2A record. The team also contained fine

## athletes

in the hurdle and field events. Dave Hampton and Clay Kent in the hurdles had fine seasons along with Dave Sloggy in the pole vault and Todd Robison in the shot put. The 440 relay team of Jeff Grady, Ed Crow, Dave Sloggy, and Ken Volk and the mile relay team of Grady, Kevin Kostlan, Jeff Snyder, and Van Fleet had very successful seasons despite constantly tough competition.

Reed Payne was voted Most Outstanding; Mark Tookey, Most Valuable and both Charlie Paine and Drew Williams received the Most Improved award. One of the better meets of the season was when the J.V. team

Duarte with a score of 113-1. The success of the team was due both to the hard work of the team members and the excellent coaching staff.

The Titan VARSITY VOLLEYBALL TEAM proved to be the best in the Central League this year. The team had an undefeated record in league play but misfortune fell upon them as the

## competition

from Corona Del Mar proved too tough in the first round of C.I.F. The team showed enthusiasm on the court and next year should prove interesting as Coach Dan Mooney hopes to put sand on the gym floor and have Pep come in bikinis to provide a beach-like atmosphere.

This year the 2nd annual interscholastic MOTOCROSS between San Marino and Arcadia was held at Irwindale Raceway. The track was prepared just right for a lot of fast racing. In the 100 class Dave Meloy got off to an early start winning all three of his

which qualified him for a big prize race. Steve Hughes, racing in the 125 class, made a clean sweep of the 3rd division placing two 1sts in both races. Many riders felt there should have been more than eight racers in each race, for there would have been more action for the spectators.

SKI CLUB continued in its tradition this year as it took ski trips to Utah, Mammoth, and the

slopes. The club offers opportunities for racing in the Ohwego League and some members give lessons to others who wish to improve their form. The Ski Club also organized a ski swap in the cafeteria and speakers on the latest equipment. Next year the club hopes to form a special fund to send Bill Ott to Mt. McKinley.

San Clemente was the sight for this year's annual C.S.F. Field Trip. After a long bus ride and a tour of the San Juan Capistrano Mission, the members spent a relaxing day soaking in the sun and lying on the beach, managing to enjoy the vacation from school. The group returned late in the day with red

and all the more eager to sell peanut butter cups. The money raised from the candy was given in the form of a scholarship to one of the members in financial need.

The honored EXCHANGE CLUB students who were chosen on the basis of scholastic and athletic achievement represented all areas of the school this year. These students had an outstanding year in the fields of scholastics, athletics, drama, and service. In honor of their impressive service, the students were awarded medals and treated to a

BE SURE GLUE IS MOISTENED EVENLY

Dear Suzi,  
 It's been neat to  
 get to know you. I'm  
 glad you finally got  
 a year book! Good  
 memories! Don't know  
 what to say - only  
 that you're a cute  
 girl. See ya in homeroom.  
 Love,  
 Laurie D.

Go for it!

Dear Suzy,  
 Howdy! I don't know  
 what to say. I mean -  
 It's January ~~2~~!! I'm  
 sure glad I'm getting to  
 know you this year, since  
 I didn't have much of a  
 chance last year - since we  
 didn't have any classes together.  
 Sure hope to <sup>get to</sup> know you even  
better this year. You're a  
 neat person & I love your  
 clothes! Well, have a good  
 year (since I can't say "have  
 a good summer!")

Adios!

Love,  
 Holley

Susie,  
 I'm glad you got  
 your book late because  
 I wouldn't have signed  
 it. Do you think we're  
 going to make it through  
 Math class. See you  
 Later  
 Mark
